Administrative and Supervisory Personnel

EVALUATION/SUPERVISION

The Board of Trustees recognizes the importance of regular and comprehensive evaluations of administrative and supervisory personnel to provide ongoing feedback for continuous improvement of employee performance. Evaluations shall be linked to the district's vision, strategic plan, school improvement goals, professional development plan, and goals for student achievement.

Certificated Administrative and Supervisory Personnel

The Superintendent shall develop objective evaluation guidelines and standards for use in the district's evaluation system for certificated administrative and supervisory personnel. Such standards may include those of the California Professional Standards for Education Leaders as well as other standards and criteria developed by the Board and Superintendent.

Each certificated administrative or supervisory employee shall be evaluated pursuant to contract. However, an employee may be evaluated every five years provided that he/she has been employed by the district for at least 10 years, his/her previous evaluation rated him/her as meeting or exceeding standards, and the evaluator and the employee agree to this schedule. Either the evaluator or the employee may withdraw consent for this schedule at any time. (Education Code 44664)

Classified Senior Management and Supervisory Employees

Classified senior management and supervisory employees shall be evaluated pursuant to contract and statute.
