LEAVES

- A. Teachers will be able to use sick leave and bereavement leave on all staff development days and will be excused for jury duty. In the event that the state requires staff attendance at staff development days, to gain reimbursement, the District will require make-up for non-attendance. Jury Duty, bereavement, or serious medical illness will be excused from staff development make-up.
- B. Sick Leave
1. A full-time employee employed five (5) days a week or at least 186 days per year is entitled to ten (10) days of sick leave during a school year; such leave is to accumulate from year to year without limit. An employee working less than full-time shall be granted sick leave in the same ratio that the employment bears to full-time employment.
 2. When an employee has exhausted all accrued sick leave, absences beyond that period shall be continued with pay for a period of five (5) months from the end of that accrued earned sick leave period. During the five (5) month period, the employee shall have deducted from his/her salary the sum actually paid a substitute to fill the position. The maximum that will be deducted from the employee's salary will be the long-term substitute rate regardless of the amount that is actually paid to the substitute.
 3. The employee shall submit, on the District form, verification of any absence and in the case of an absence for more than three (3) consecutive days a physician's statement may be required. Employees returning to work from extended illness (including surgery) or injury absences shall be required to present a doctor's release prior to returning to duty.
 4. Time deducted shall not be less than one-half ($\frac{1}{2}$) day.
 5. Routine medical and dental appointments shall be scheduled outside the workday. The employee shall receive prior approval from the immediate administrator for medical or dental appointments which are other than routine and which cannot be scheduled outside of the workday. Reasonable periods of time not to exceed two (2) hours may be granted (without sick leave deduction) by the immediate administrator provided; however, the class can be covered by another certificated person.
 6. The employer shall provide each teacher with written statements of his/her accrued sick leave on the employee payroll warrant.

C. Industrial Accident or Illness

1. Industrial Accident or Illness Leave is granted to employees who have had an accident or illness arising out of and in the course of their employment with the District. All probationary and permanent certificated employees shall be entitled (in any one (1) fiscal year for the same accident or illness) up to sixty (60) days of Industrial Accident or Illness Leave during which the schools of the District are required to be in session or when the employees would otherwise have been performing work for the District.

Such Industrial Accident or Illness Leave shall commence on the first day of absence and shall be reduced by one day for each day of authorized absence regardless of a temporary disability indemnity award.

2. Allowable leave shall not be accumulative from year to year, except when an industrial accident or illness occurs at a time when the full sixty (60) days will overlap into the next fiscal year. The employees shall then be entitled to only that amount of unused leave due him/her for the same illness or injury.
3. During any paid industrial leave of absence, the teacher shall deposit the temporary disability indemnity checks to the District account; the District shall continue to pay the teacher their full salary.
4. Any employee receiving benefits from an Industrial Accident or Illness Leave shall, during periods of injury or illness, remain within the State of California, unless the District authorizes travel outside the state.
5. The Industrial Accident or Illness Leave of Absence is to be in lieu of entitlement acquired under "Sick Leave". An employee's absence shall be deemed to have commenced on the date of termination of the Industrial Accident or Illness Leave, provided that if the employee continues to receive temporary disability indemnity, he/she may elect to take as much accumulated sick leave which, when added to the temporary disability indemnity, will result in a payment of not more than his/her full salary.
6. Industrial Accident or Illness Leave for each occurrence shall cease when temporary disability benefits under workers' compensation laws of the State of California are discontinued for the applicable industrial accident or illness.

1. An employee shall be paid his/her regular salary for absence by service as a juror, up to twenty (20) working days with extension upon superintendent's approval. The employee may keep the mileage allowance, but all fees shall be given to the District.

3. Employees called for jury duty in a court of law during their regular work year who elect to defer their jury service to non-required service days (i.e., summer break) as allowed by law shall be compensated in an amount equal to the District's daily substitute teacher rate of pay for each day of jury service that was deferred. The employee must provide written documentation to the District showing the original jury summons date and the actual date(s) of jury duty served prior to receiving compensation under this section. Any jury fees received by the employee shall be deducted from the amount paid to the unit member, but the unit member shall be entitled to retain any mileage reimbursement paid for the jury service.

If the number of days accumulated exceeds the maximum number of days, no contributions will be assessed for that year except for new members wishing to join the Bank.
