Natomas Unified School District

Local Control and Accountability Plan

Natomas Unified School District
Connecting students to their future

Vision:

All NUSD students graduate as College & Career ready, productive, responsible, and engaged global citizens

District Goals:

1. Increase student success in ELA, math, science, and literacy
2. Prepare students to be College & Career ready
3. Engage parents and families to support student success in school
4. Create safe and welcoming learning environments where students attend and are connected to their schools
5. Recruit, hire, train, and retain high quality staff who are committed, collaborative, caring, and exemplary

Core Beliefs:

- Every student can learn and succeed
- Disparity and disproportionality can and must be eliminated
- Our diversity is a strength
- Staff must be committed, collaborative, caring, and exemplary

Introduction:

LEA: Natomas Unified School District   **Contact (Name, Title, Email, Phone Number):** Constituent and Customer Services, customerservice@natomas.k12.ca.us, 916-561-5253   **LCAP Year:** 2014

Local Control and Accountability Plan and Annual Update Template

The Local Control and Accountability Plan (LCAP) and annual update template shall be used to provide details regarding local educational agencies' (LEAs) actions and expenditures to support pupil outcomes and overall performance pursuant to Education Code sections 52060, 52066, 47605, 47605.5, and 47606.5.

For school districts, pursuant to Education Code section 52060, the LCAP must describe, for the school district and each school within the district, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities and any locally identified priorities.

For county offices of education, pursuant to Education Code section 52066, the LCAP must describe, for each county office of education-operated school and program, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, who are funded through the county office of education Local Control Funding Formula as identified in Education Code section 2574 (pupils attending juvenile court schools, on probation or parole, or mandatorily expelled) for each of the state priorities and any locally identified priorities. School districts and county offices of education may additionally coordinate and describe in their LCAPs services provided to pupils funded by a school district but attending county-operated schools and programs, including special education programs.

Charter schools, pursuant to Education Code sections 47605, 47605.5, and 47606.5, must describe goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities as applicable and any locally identified priorities. For charter schools, the inclusion and description of goals for state priorities in the LCAP may be modified to meet the grade levels served and the nature of the programs provided, including modifications to reflect only the statutory requirements explicitly applicable to charter schools in the Education Code.

The LCAP is intended to be a comprehensive planning tool. LEAs may reference and describe actions and expenditures in other plans and funded by a variety of other fund sources when detailing goals, actions, and expenditures related to the state and local priorities. LCAPs must be consistent with school plans submitted pursuant to Education Code section 64001. The information contained in the LCAP, or annual update, may be supplemented by information contained in other plans (including the LEA plan pursuant to Section 1112 of Subpart 1 of Part A of Title I of Public Law 107-110) that are incorporated or referenced as relevant in this document.

For each section of the template, LEAs should comply with instructions and use the guiding questions as prompts (but not limits) for completing the information as required by statute. Guiding questions do not require separate narrative responses. Data referenced in the LCAP must be consistent with the school accountability report card where appropriate. LEAs may resize pages or attach additional pages as necessary to facilitate completion of the LCAP.

State Priorities

The state priorities listed in Education Code sections 52060 and 52066 can be categorized as specified below for planning purposes, however, school districts and county offices of education must address each of the state priorities in their LCAP. Charter schools must address the priorities in Education Code section 52060(d) that apply to the grade levels served, or the nature of the program operated, by the charter school.

A. Conditions of Learning:

Basic: degree to which teachers are appropriately assigned pursuant to Education Code section 44258.9, and fully credentialed in the subject areas and for the pupils they are teaching; pupils have access to standards-aligned instructional materials pursuant to Education Code section 60119; and school facilities are maintained in good repair pursuant to Education Code section 17002(d). (Priority 1)

Implementation of State Standards: implementation of academic content and performance standards adopted by the state board for all pupils, including English learners. (Priority 2)
Course access: pupil enrollment in a broad course of study that includes all of the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Section 51220, as applicable. (Priority 7)

Expelled pupils (for county offices of education only): coordination of instruction of expelled pupils pursuant to Education Code section 48926. (Priority 9)
Foster youth (for county offices of education only): coordination of services, including working with the county child welfare agency to share information, responding to the needs of the juvenile court system, and ensuring transfer of health and education records. (Priority 10)

B. Pupil Outcomes:

Pupil achievement: performance on standardized tests, score on Academic Performance Index, share of pupils that are College & Career ready, share of English learners that become English proficient, English learner reclassification rate, share of pupils that pass Advanced Placement exams with 3 or higher, share of pupils determined prepared for college by the Early Assessment Program. (Priority 4)

Other pupil outcomes: pupil outcomes in the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Education Code section 51220, as applicable. (Priority 8)

C. Engagement:

Parent involvement: efforts to seek parent input in decision making, promotion of parent participation in programs for unduplicated pupils and special need subgroups. (Priority 3)

Pupil engagement: school attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout rates, high school graduations rates. (Priority 5)

School climate: pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, parents and teachers on the sense of safety and school connectedness. (Priority 6)

Section 1: Stakeholder Engagement

Meaningful engagement of parents, pupils, and other stakeholders, including those representing the subgroups identified in Education Code section 52052, is critical to the LCAP and budget process. Education Code sections 52062 and 52063 specify the minimum requirements for school districts; Education Code sections 52068 and 52069 specify the minimum requirements for county offices of education, and Education Code section 47606.5 specifies the minimum requirements for charter schools. In addition, Education Code section 48985 specifies the requirements for translation of documents.

Instructions: Describe the process used to engage parents, pupils, and the community and how this engagement contributed to development of the LCAP or annual update. Note that the LEA's goals related to the state priority of parental involvement are to be described separately in Section 2, and the related actions and expenditures are to be described in Section 3.
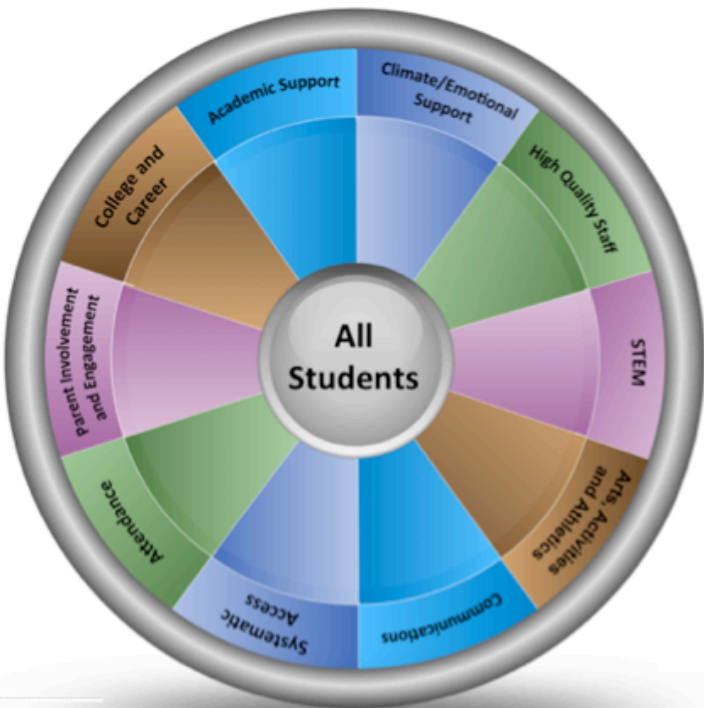

Guiding Questions:

1) How have parents, community members, pupils, local bargaining units, and other stakeholders (e.g., LEA personnel, county child welfare agencies, county office of education foster youth services programs, court-appointed special advocates, foster youth, foster parents, education rights holders and other foster youth stakeholders, English learner parents, community organizations representing English learners, and others as appropriate) been engaged and involved in developing, reviewing, and supporting implementation of the LCAP?
2) How have stakeholders been included in the LEA's process in a timely manner to allow for engagement in the development of the LCAP?
3) What information (e.g., quantitative and qualitative data/metrics) was made available to stakeholders related to the state priorities and used by the LEA to inform the LCAP goal setting process?
4) What changes, if any, were made in the LCAP prior to adoption as a result of written comments or other feedback received by the LEA through any of the LEA's engagement processes?
5) What specific actions were taken to meet statutory requirements for stakeholder engagement pursuant to Education Code sections 52062, 52068, and 47606.5, including engagement with representative parents of pupils identified in Education Code section 42238.01?
6) In the annual update, how has the involvement of these stakeholders supported improved outcomes for pupils related to the state priorities?

Involvement Process	Impact on LCAP
Natomas Unified serves more than 13,000 students in 19 schools and has one of the highest percent of students enrolled in charter schools in the nation. This year, more than 3,500 students attend one of the district's 6 charter schools. The State of California requires NUSD and each charter school to submit separate Local Control Accountability Plans (LCAP) under Ed Code 52060. The data that the California Department of Education reports at the district level, however, includes charter and non-charter schools. This means that the following Local Control and Accountability Plan includes goals, metrics, actions and services for NUSD non-charter schools but the data used to measure student outcomes includes both charter and non-charter schools. This presents a unique and annual challenge for Natomas Unified and our stakeholders, because the district authorized charter schools are largely governed by independent boards, and there will be seven different LCAPs in this district of 19 schools.	NUSD began our LCAP stakeholder engagement in the Fall of 2013 by surveying our staff and community about priorities for our schools. As a result of Phase 1 feedback through multiple meetings, surveys, and other engagement efforts, we collected more than 700 unique ideas to help all students be successful. Those ideas were synthesized into ten local priorities:
	1. Academic Support
Phase 1: Stakeholder Initial Input	2. Climate/Emotional Support
Beginning in the fall of 2013, district leaders met with the Parent Advisory Council to introduce the Local Control Funding Formula and the Local Control and Accountability Plan. This Council, acting in the role of the district parent advisory committee, met regularly to build a foundation for the LCAP by identifying broad focus areas for consideration in the LCAP. Throughout that fall, NUSD posted information regarding LCAP and LCFF on the district Facebook and Twitter pages. In November and December of 2013 NUSD District Leaders received input from the Natomas Community Advisory Committee (CAC supports students with disabilities), the Parent CORES Project to Inspire, and the District English Learner Advisory Committee (DELAC). In mid-December a second Board Presentation on LCFF and	3. High Quality Staff
	4. Science Technology Engineering and Math (STEM)
	5. Arts, Activities and Athletics,
	6. Communications
	7. Systemic Access
	8. Attendance
	9. Parent involvement and Engagement
	10. College & Career

LCAP was given.   Between August and December of 2013, Natomas Unified School District received initial input from 600 stakeholders who shared more than 700 individual ideas about what is important to help ALL students succeed.

In the fall of 2013 the first LCFF presentation was given at a public Board Meeting. In September and October of 2013 NUSD launched a new webpage for LCAP/LCFF on the NUSD website, engaged members of DELAC and the Parent Advisory Council, gave presentations to Elementary and Secondary Principal's, and also sent out a three part email to staff, families, and community members containing an introduction to LCAP/LCFF, information about state priorities, and a survey requesting feedback.

Following is a list of Phase 1 engagement opportunities:
8/28/13 - Board Meeting: LCFF Presentation
9/18/13 - Parent Advisory Council meeting
10/2/13 - New webpage launched for LCFF and LCAP
10/14/13 - Elementary Principal Meeting
10/15/13 - District English Learner Advisory Committee (DELAC) EL master planning meeting
10/21/13 - Part 1 of 3-part email: Introduction
10/21/13 - Part 2 of 3-part email: State Priorities
10/21/13 - Facebook post regarding LCFF and LCAP State Priorities
10/29/13 - Part 3 of 3-part email: Survey
10/21/13 - Secondary Principal Meeting
10/21/13 - Facebook post regarding LCFF and LCAP State Priorities
10/29/13 - Facebook post regarding LCFF and LCAP
Fall 2013 - Student Voices group/videos
11/19/13 - Parent CORES Project to Inspire
11/19/13 - District English Learner Advisory Committee (DELAC) meeting
11/19/13 - Natomas Community Advisory Committee
12/6/13 - Community Advisory Committee meeting
12/10/13 - Community Advisory Committee meeting
12/11/13 - Board Meeting: LCFF Update
12/17/13 - District English Learner Advisory Committee (DELAC) review of district goals for English Learners

Phase 2: Stakeholder Feedback
Between January and March 2014 NUSD held a number of engagement meetings to share the results from the Fall survey that were synthesized into ten local priorities: Climate/Emotional Support, High Quality Staff, STEM, Arts, Activities, and Athletics, Communications, Systemic Access, Attendance, Parent Involvement and Engagement, College & Career, and Academic Support. These local priorities were brought back to the stakeholders through a series of meetings with staff, union leaders, parents/families, community members and high school students. In each session, stakeholders were asked to review posters with information about each of the local priorities as well as data including: student achievement results, graduation rates, English Learner outcomes, enrollment, Advanced Placement results, and college going rates. For stakeholders who were unable to attend meetings, these same resources and questions were provided via an-online survey that was promoted through email, the web, Facebook, and twitter. By the end of this second phase of stakeholder engagement, more than 2,800 unique ideas were shared including:

During the Winter of 2013-2014, NUSD used these priorities as the foundation for continued engagement for community members, parents, students, and staff members.   As a result of those conversations, five new district goals were created:
1. Increase student success in ELA, math, science, and literacy
2. Prepare students to be College & Career ready
3. Engage parents and families to support student success in school
4. Create safe and welcoming learning environments where students attend and are connected to their schools
5. Recruit, hire, train, and retain high quality staff who are committed, collaborative, caring and exemplary

• 41 from California School Employees Association members in a meeting
• 57 from Foster Youth Students
• 84 from DELAC members
• 146 from California School Employees Association members via online survey
• 159 from stakeholders members via an open online survey
• 220 from Natomas Teachers Association members in a meeting
• 429 from Discovery, Inderkum, and Natomas High School students in a meeting
• 572 from Natomas Teacher Association members via an online survey
• 580 from parents/family members of African American, Hispanic, Foster, Low Income, and English Learners via phone survey
• 661 from stakeholders at one of three open community meetings

Following is a list of Phase 2 engagement opportunities:
Ongoing - Website updated with data and evidence; feedback opportunities; progress updates
1/15/14 - Parent Advisory Council meeting
1/15/14 - Board Meeting: LCAP and Data Warehouse Action Item
1/29/14 - Board Meeting: Student Success at Local Level Through a Theory of Action and LCFF/LCAP workshop
1/29/14 - Board Meeting: First Reading of BP/AR 0460 LCAP and discussion
2/4/14 - Stakeholder Community Engagement Meeting: Witter Ranch Elementary School to gather feedback about local priorities
2/11/14 - Stakeholder Community Engagement Meeting: Jefferson Elementary School to gather feedback about local priorities
2/12/14 - Meeting with Foster Youth
2/12/14 - Board Meeting: Update on Steps to Success
2/12/14 - Board Meeting: Second Reading of BP/AR 0460 LCAP and action
2/14/14 - One-on-one meetings with (20) foster youth students in middle and high schools to gather feedback about local priorities
2/18/14 - District English Learner Advisory Committee (DELAC) review of district goals for English Learners
2/19/14 - Stakeholder Community Engagement Meeting: Inderkum High School to gather feedback about local priorities
2/24/14 - Facebook post regarding LCFF and LCAP
2/20/14 to 2/28/14 - On-line survey, for members of teacher's bargaining unit to gather feedback about local priorities
2/20/14 to 2/28/14 - On-line survey, for classified staff bargaining unit to gather feedback about local priorities
2/20/14 to 2/28/14 - On-line survey, open to community to gather feedback about local priorities
2/20/14 to 2/28/14 - Phone calls to targeted families in primary language to gather feedback about local priorities
2/21/14 - Small group discussions with (20) foster youth students at middle and high schools to gather feedback about local priorities
2/25/14 - Open session with members of classified staff bargaining unit to gather feedback about local priorities
2/27/14 - Open session with members of teacher's bargaining unit to gather feedback about local priorities
2/28/14 - Natomas and Inderkum High School students and Youth Advisory Committee to gather feedback about local priorities

Prior to this engagement process, our district goals were:
1. Increase student success and achievement
2. Implement district-wide accountability, support, and professional development
3. Take actions to aggressively attack declining enrollment, retain funding and further develop quality student programs
4. Improve communication both within the district and with the Natomas Unified community

During Phase 2 of the engagement process, NUSD was able to identify new directions for our schools and district. Some specific examples of changes made during the LCAP adoption process include the focus on foster you students; arts and music; athletics; school climate; and College & Career preparation. At the same time, the involvement process was also important because our stakeholders confirm that we should continue the work to provide

Phase 3: Plan Development and Approval

By the end of the second phase of stakeholder engagement, NUSD had clear directions from stakeholders to take actions to achieve the five new district goals adopted at the March 26, 2014 Board Meeting. Meetings with labor union leaders, Board members, district leaders, and individual teachers continued as a plan began to emerge to utilize LCFF resources toward the success of all students in NUSD. On April 9, 2014 the NUSD Board of Trustees received a presentation on six proposed action areas for the 2014-2015 school year with budgeted work to address expulsions, increasing arts and athletics, supports for English Learners, and the implementation of Instructional Technology district wide as well as focused work at Natomas Gateways Middle School. Following that meeting, sample LCAP templates were posted on the district website to provide stakeholders examples of how these actions could be formatted through the LCAP process. At the following Board Meeting, on April 30, 2014, a second presentation on actions for student success was given with foci on: supporting low income and foster students, reducing suspensions, implementing Common Core, improving attendance, engaging students and parents/families, ensuring the "basics" are provided, and increasing UC/CSU a-g and graduation rates while decreasing the drop out rate.

Following is a list of Phase 2 engagement opportunities:

3/3/14 - Meeting with NMS and Inderkum Music teachers
3/12/14 - Board Meeting: present feedback and share draft goals; receive feedback from Board
3/14/14 - Meeting with NTA leaders to review draft goals
3/17/14 - Meeting with CSEA leaders to review draft goals
3/18/14 - Instructional Cabinet Meeting discussion of LCAP
3/19/14 - Meeting with NHS Music Teacher
3/26/14 - Board Meeting to approve District Goals
3/31/14 - ConnectEd Message about possible actions/services and on-going commitments
4/1/14 - Meeting with Athletic Directors
4/1/14 - Meeting with 2 NTA leaders regarding actions and service recommendations
4/9/14 - Board Meeting: Actions to Support Student Success, Part I
4/21/14 - Elementary Principals Meeting discussion of LCAP
4/22/14 - Instructional Cabinet Meeting discussion of LCAP
4/28/14 - Secondary Principals Meeting discussion of LCAP
4/30/14 - Board Meeting: Actions to Support Student Success, Part II
5/1/14 - Sample templates posted on website
5/15/14 - Post draft LCAP on website for stakeholder review
5/19/14 - Review draft LCAP with CSEA Leaders
5/19/14 - Review draft LCAP with NTA Leaders
5/19/14 - Review draft LCAP with Parent Advisory Committee
5/20/14 - Review draft LCAP with District English Learner Advisory Committee (DELAC)
6/10/14 - Post questions and responses on website
Planned: 6/11/14 - Public Hearing at Board Meeting
Planned: 6/25/14 - Approve LCAP
Planned: 7/1/14 - LCAP due to Sacramento County Office of Education

students of poverty with academic support; expand STEM offerings; recruit, hire, train and retain high quality staff; improve communications; parent involvement and engagement; attendance; and provide systemic access for all students to be College & Career ready.

During Phase 3 of the engagement process, the Parent Advisory Council and District English Learner Advisory Council identified gaps in the first draft of the LCAP for work already underway in NUSD. As a result, additional district actions were included in areas such as elementary education and student services and safety.

Many of the three-year metrics for this first LCAP year show small, incremental gains. Based on stakeholder feedback, NUSD feels it is best served setting conservative metrics for this first time through this LCAP process, and then use the Annual Update: Analysis of Progress to adjust metrics when more information materializes within California, until a new state accountability system materializes.

Section 2: Goals and Progress Indicators

*For school districts, Education Code sections 52060 and 52061, for county offices of education, Education Code sections 52066 and 52067, and for charter schools, Education Code section 47606.5 require(s) the LCAP to include a description of the annual goals, for all pupils and each subgroup of pupils, for **each** state priority and any local priorities and require the annual update to include a review of progress towards the goals and describe any changes to the goals.*

Instructions: Describe annual goals and expected and actual progress toward meeting goals. This section must include specifics projected for the applicable term of the LCAP, and in each annual update year, a review of progress made in the past fiscal year based on an identified metric. Charter schools may adjust the chart below to align with the term of the charter school's budget that is submitted to the school's authorizer pursuant to Education Code section 47604.33. The metrics may be quantitative or qualitative, although LEAs must, at minimum, use the specific metrics that statute explicitly references as required elements for measuring progress within a particular state priority area. Goals must address each of the state priorities and any additional local priorities; however, one goal may address multiple priorities. The LEA may identify which school sites and subgroups have the same goals, and group and describe those goals together. The LEA may also indicate those goals that are not applicable to a specific subgroup or school site. The goals must reflect outcomes for all pupils and include specific goals for school sites and specific subgroups, including pupils with disabilities, both at the LEA level and, where applicable, at the school site level. To facilitate alignment between the LCAP and school plans, the LCAP shall identify and incorporate school-specific goals related to the state and local priorities from the school plans submitted pursuant to Education Code section 64001. Furthermore, the LCAP should be shared with, and input requested from, school site-level advisory groups (e.g., school site councils, English Learner Advisory Councils, pupil advisory groups, etc.) to facilitate alignment between school-site and district-level goals and actions. An LEA may incorporate or reference actions described in other plans that are being undertaken to meet the goal.

Guiding Questions:
1) What are the LEA's goal(s) to address state priorities related to "Conditions of Learning"?
2) What are the LEA's goal(s) to address state priorities related to "Pupil Outcomes"?
3) What are the LEA's goal(s) to address state priorities related to "Engagement" (e.g., pupil and parent)?
4) What are the LEA's goal(s) to address locally-identified priorities?
5) How have the unique needs of individual school sites been evaluated to inform the development of meaningful district and/or individual school site goals (e.g., input from site level advisory groups, staff, parents, community, pupils; review of school level plans; in-depth school level data analysis, etc.)?
6) What are the unique goals for subgroups as defined in Education Code sections 42238.01 and 52052 that are different from the LEA's goals for all pupils?
7) What are the specific predicted outcomes/metrics/noticeable changes associated with each of the goals annually and over the term of the LCAP?
8) What information (e.g., quantitative and qualitative data/metrics) was considered/reviewed to develop goals to address each state or local priority and/or to review progress toward goals in the annual update?
9) What information was considered/reviewed for individual school sites?
10) What information was considered/reviewed for subgroups identified in Education Code section 52052?
11) In the annual update, what changes/progress have been realized and how do these compare to changes/progress predicted? What modifications are being made to the LCAP as a result of this comparison?

Identified Need and Metric (What needs have been identified and what metrics are used to measure progress?)	Goals			Annual Update: Analysis of Progress	What will be different/improved for students? (based on identified metric)			Related State and Local Priorities (Identify specific state priority. For districts and COEs, all priorities in statute must be included and identified; each goal may be linked to more than one priority if appropriate.)
	Description of Goal	Applicable Pupil Subgroups (Identify applicable subgroups (as defined in EC 52052) or indicate "all" for all pupils.)	Schools Affected (Indicate "all" if the goal applies to all schools in the LEA, or alternatively, all high schools, for example.)		LCAP YEAR 1: 2014-2015	LCAP YEAR 2: 2015-2016	LCAP YEAR 3: 2016-2017	
Needs: Improve college readiness by providing all students access to California State adopted curriculum (the Common Core State Standards) As of the end of 2013-2014, students in grades K, 3, ELA 8, ELA 11, Algebra I, and Algebra II have access to new Common Core units Percent College Ready (2013 PSAT) 11th Grade: 16.2% 10th Grade 16.4% Percent College Ready (2013 EAP) English: 24% Math: 6% **Metrics:** • CAASPP performance • Share of pupils that pass Advanced Placement exams with 3 or higher • Share of pupils determined prepared for college by the Early Assessment Program • Percent of students who pass IB exam • Percent of 10th grade students taking the PSAT • Score on Academic Performance Index *Note: Natomas Unified will be monitoring the enrollment of AP and IB classes by ethnicity and other significant subgroups to ensure that the state priority to increase share of students passing an AP exam with a score of 3 or higher does not come at the expense of students accessing the opportunity to take AP courses and exams*	**Goal 1:** Increase student success in ELA, math, science, and literacy **Goal 2:** Prepare students to be College & Career ready	All Students	All schools	N/A	1. Establish a baseline during 2014-2015 of student performance as measured by the CAASPP in ELA and Math 2. Establish a new baseline for AP share of pupils that pass AP exam with 3 or higher, taking into consideration the district's commitment to International Baccalaureate and the decline share in AP 3. Establish baseline percent of students who pass IB exam 4. Increase college readiness as measured by the EAP by 1% in English and 1% in math 5. Maintain 90% or higher participation rate for 10th graders on the PSAT 6. No API scores this year	1. 1% increase on CAASPP in ELA and Math as compared to the 2014-2015 baseline. 2. Maintain share of pupils that pass AP exam with 3 or higher or pass IB exam 3. Combine the AP and IB pass rates to determine a local district percent of students passing one or both of the exams 4. Increase college readiness as measured by the EAP by 1% in English and 1% in math 5. Maintain 90% or higher participation rate for 10th graders on the PSAT 6. Establish baseline API score as a district	1. 1% increase on CAASPP in ELA and Math as compared to the percentage from 2015-2016. 2. Maintain share of pupils that pass AP exam with 3 or higher or pass IB exam 3. Increase the combined percent of AP/IB pass rate by 1% from previous year 4. Increase college readiness as measured by the EAP by 1% in English and 1% in math 5. Maintain 90% or higher participation rate for 10th graders on the PSAT 6. Meet State API target as a district	**State Priorities:** Pupil Achievement Other Pupil Outcomes **Local Priorities:** College & Career

Maintain increased instructional minutes for 1st, 2nd, 3rd grade and middle school students	**State Priorities:** **Local Priorities:** Academic Support High Quality Staff

Section 3: Actions, Services, and Expenditures

For school districts, Education Code sections 52060 and 52061, for county offices of education, Education Code sections 52066 and 52067, and for charter schools, Education Code section 47606.5 require the LCAP to include a description of the specific actions an LEA will take to meet the goals identified. Additionally Education Code section 52604 requires a listing and description of the expenditures required to implement the specific actions.

Instructions: Identify annual actions to be performed to meet the goals described in Section 2, and describe expenditures to implement each action, and where these expenditures can be found in the LEA's budget. Actions may describe a group of services that are implemented to achieve identified goals. The actions and expenditures must reflect details within a goal for the specific subgroups identified in Education Code section 52052, including pupils with disabilities, and for specific school sites as applicable. In describing the actions and expenditures that will serve low-income, English learner, and/or foster youth pupils as defined in Education Code section 42238.01, the LEA must identify whether supplemental and concentration funds are used in a districtwide, schoolwide, countywide, or charterwide manner. In the annual update, the LEA must describe any changes to actions as a result of a review of progress. The LEA must reference all fund sources used to support actions and services. Expenditures must be classified using the California School Accounting Manual as required by Education Code sections 52061, 52067, and 47606.5.

Guiding Questions:
1) What actions/services will be provided to all pupils, to subgroups of pupils identified pursuant to Education Code section 52052, to specific school sites, to English learners, to low-income pupils, and/or to foster youth to achieve goals identified in the LCAP?
2) How do these actions/services link to identified goals and performance indicators?
3) What expenditures support changes to actions/services as a result of the goal identified? Where can these expenditures be found in the LEA's budget?
4) In the annual update, how have the actions/services addressed the needs of all pupils and did the provisions of those services result in the desired outcomes?
5) In the annual update, how have the actions/services addressed the needs of all subgroups of pupils identified pursuant to Education Code section 52052, including, but not limited to, English learners, low-income pupils, and foster youth; and did the provision of those actions/services result in the desired outcomes?
6) In the annual update, how have the actions/services addressed the identified needs and goals of specific school sites and did the provision of those actions/services result in the desired outcomes?
7) In the annual update, what changes in actions, services, and expenditures have been made as a result of reviewing past progress and/or changes to goals?

A. What annual actions, and the LEA may include any services that support these actions, are to be performed to meet the goals described in Section 2 for ALL pupils and the goals specifically for subgroups of pupils identified in Education Code section 52052 but not listed in Table 3B below (e.g., Ethnic subgroups and pupils with disabilities)? List and describe expenditures for each fiscal year implementing these actions, including where these expenditures can be found in the LEA's budget.

Goal (Include and identify all goals from Section 2)	Related State and Local Priorities (from Section 2)	Actions and Services	Level of Service (Indicate if school-wide or LEA-wide)	Annual Update: Review of actions/ services	What actions are performed or services provided in each year (and are projected to be provided in years 2 and 3)? What are the anticipated expenditures for each action (including funding source)?

Goal 5: Recruit, hire, train, and retain high quality staff who are committed, collaborative, caring, and exemplary	**State Priorities:** Basics **Local Priorities:** High Quality Staff	Peer Assistance and Review (PAR)	District-wide	N/A	PAR Program: $30,000 • Resource Code: LCFF (0000) • Object Code 1000s: $26,735 • Object Code 2000s: $0 • Object Code 3000s: $3,265 • Object Code 4000s: $0 • Object Code 5000s: $0	PAR Program: $30,000 • Resource Code: LCFF (0000) • Object Code 1000s: $26,735 • Object Code 2000s: $0 • Object Code 3000s: $3,265 • Object Code 4000s: $0 • Object Code 5000s: $0	PAR Program: $30,000 • Resource Code: LCFF (0000) • Object Code 1000s: $26,735 • Object Code 2000s: $0 • Object Code 3000s: $3,265 • Object Code 4000s: $0 • Object Code 5000s: $0

B. Identify additional annual actions, and the LEA may include any services that support these actions, above what is provided for all pupils that will serve low-income, English learner, and/or foster youth pupils as defined in Education Code section 42238.01 and pupils redesignated as fluent English proficient. The identified actions must include, but are not limited to, those actions that are to be performed to meet the targeted goals described in Section 2 for low-income pupils, English learners, foster youth and/or pupils redesignated as fluent English proficient (e.g., not listed in Table 3A above). List and describe expenditures for each fiscal year implementing these actions, including where those expenditures can be found in the LEA's budget.

Note: Natomas Unified meets the state threshold of 55% or more unduplicated students, allowing the district to spend supplemental and concentration resources to serve all students. However, one of Natomas Unified's Core Beliefs is that disparity and disproportionality can and must be eliminated. For the actions and services below, Natomas unified is committed to disaggregating data to identify disparity and disproportionality and to utilize all resources to eliminate gaps that currently exist for our students.

Goal (Include and identify all goals from Section 2)	Related State and Local Priorities (from Section 2)	Actions and Services	Level of Service (Indicate if school-wide or LEA-wide)	Annual Update: Review of actions/ services	What actions are performed or services provided in each year (and are projected to be provided in years 2 and 3)? What are the anticipated expenditures for each action (including funding source)?

C. Describe the LEA's increase in funds in the LCAP year calculated on the basis of the number and concentration of low income, foster youth, and English learner pupils as determined pursuant to 5 CCR 15496(a)(5). Describe how the LEA is expending these funds in the LCAP year. Include a description of, and justification for, the use of any funds in a districtwide, schoolwide, countywide, or charterwide manner as specified in 5 CCR 15496. For school districts with below 55 percent of enrollment of unduplicated pupils in the district or below 40 percent of enrollment of unduplicated pupils at a school site in the LCAP year, when using supplemental and concentration funds in a districtwide or schoolwide manner, the school district must additionally describe how the services provided are the most effective use of funds to meet the district's goals for unduplicated pupils in the state priority areas. (See 5 CCR 15496(b) for guidance.)

Natomas Unified School District's projected 2014-2015 LCFF Supplemental and Concentration grant is $4,165,321. This represents an increase of $2,903,321 in comparison with the 2013-2014 funding level. NUSD serves a very diverse student population of approximately 9,500 students in transitional kindergarten through twelfth grade. Approximately 58% of the students in the District qualify for free and reduced price meals and are living at or below the poverty level. 18% of students are designated as English Language Learners and 9% are identified as being homeless or residing in a foster home.

The majority of students served will be unduplicated students (63%) and the actions and services identified in the LCAP will best serve ALL students, including ALL subgroups, socioeconomically disadvantaged students, foster youth, students with disabilities, and English learners by providing increased/improved/targeted actions and services. The LCFF expenditures are described and justified, either school-wide or district-wide, as described in section 3A and 3B. For example:

Natomas Unified is using data to make critical decisions that target resources for students with the greatest needs: English Learners, foster students, ethnic subgroups, socioeconomically disadvantaged students, and students with disabilities. For example, with 63% of our students in the new "unduplicated" group, the strategic utilization of LCFF funds district-wide includes the recently negotiated 50 additional minutes a day for all non-charter middle schools. In one school year, those 50 minutes a day are equivalent to an additional 20-25 school days for our students. Currently, the school serving the largest middle school population in Natomas is Natomas Middle School which also has some of the lowest student achievement, highest suspension rate, and students with the following demographics: 65% unduplicated pupils, 13% Pupils with Disabilities, 17% English Learners, 60% Socially Economically Disadvantaged Pupils, and 61% students of color (33% Hispanic and 28% African American). While the additional minutes will serve all students, the middle school years were targeted for time based on a combination of student achievement and demographic data.

Additionally, the 17 minutes of additional instructional time in 1st, 2nd and 3rd grades were negotiated district-wide based on data. For example, Jefferson Elementary School has demographic data that shows: 84% unduplicated student, 14% Pupils with Disabilities, 31% English Learner, 78% Socially Economically Disadvantaged Pupils, and 61% students of color (42% Hispanic and 19% African American). Jefferson Elementary School has a student population of 480 in 2013-2014. While at Natomas Park Elementary school the demographic data shows 62% unduplicated student, 9% Pupils with Disabilities, 25% English Learner, 52% Socially Economically Disadvantaged Pupils, and 50% students of color (24% Hispanic and 16% African American). However, Natomas Park had 943 students in 2013-2014. This means that Natomas Park actually has more students of poverty, more English learners, more African American, more Hispanic and more students with disabilities than Jefferson, despite the differences in percentages. This data based, targeted decision-making is at the heart of LCFF to improve outcomes for students with the greatest needs.

It is clear that the example above clearly indicates, that with nearly 2 out of 3 students meeting the definition of unduplicated students, the most effective use of funds in Natomas Unified is to provide increased and improved actions and services on a school-wide and district-wide basis.

The example above clearly indicates, with nearly 2 out of 3 students meeting the definition of unduplicated students, the most effective use of funds in Natomas Unified is to provide increased and improved actions and services on a school-wide and district-wide basis.

D. Consistent with the requirements of 5 CCR 15496, demonstrate how the services provided in the LCAP year for low income pupils, foster youth, and English learners provide for increased or improved services for these pupils in proportion to the increase in funding provided for such pupils in that year as calculated pursuant to 5 CCR 15496(a)(7). Identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all pupils in the LCAP year as calculated pursuant to 5 CCR 15496(a). An LEA shall describe how the proportionality percentage is met using a quantitative and/or qualitative description of the increased and/or improved services for unduplicated pupils as compared to the services provided to all pupils.

The Natomas Unified School District (NUSD) minimum proportionality percentage is 6.7%, or equivalent to $4,162,000. The majority of students served will be unduplicated students (63%) and the actions and services identified in the LCAP will best serve ALL students, including ALL subgroups, socioeconomically disadvantaged students, foster youth, students with disabilities, and English learners by providing increased/improved/targeted actions and services as outlined in sections 3A and 3B. The actions and services described in section 3A and 3B utilize at least the required minimum proportionality amount. For example some of the actions and services described in this LCAP that serve ALL students to meet the minimum proportionality include:

School-wide actions and services expenditures to meet the district Core Beliefs that every student can learn and succeed and disparity and disproportionality can and must be eliminated:
- $1.4 million (previously EIA) of LCFF supplemental and concentration grant funds will be budgeted to provide supplemental programs and services at all school sites. School site allocations will be based upon each schools English learner and socioeconomically disadvantaged demographic counts.
- $176,000 will be budgeted to provide 2.2 FTE EL Teachers on Special Assignment at Secondary Schools
- $340,000 will be budgeted for 5.0 FTE Intervention Specialists
- $120,000 will be budgeted to provide Witter Ranch Elementary School for extended day programs and intervention specialists
- $120,000 will be budgeted to provide NMS Allocate resources to Natomas Middle School to address social emotional supports and behaviors
- $120,000 will be budgeted to provide after-school/extended day academic support at designated schools
- $341,000 will be budgeted to provide additional technology support staff to deploy and support student and staff instructional technology
- $215,000 will be budgeted to provide World Language classes at designated schools
- $300,000 will be budgeted to increase counseling staff at designated secondary schools

District-wide actions and services expenditures to meet the district Core Beliefs that every student can learn and succeed and disparity and disproportionality can and must be eliminated:
- $793,000, a portion of the compensation increases for certificated staff, will be budgeted to increase instructional time for students in middle school and grades 1-3. The student instructional day for middle school will increase by 50 minutes per day or the equivalent of 28 instructional days per school year. The student instructional day for grades 1-3 will increase by 17 minutes per day or the equivalent of 8.5 instructional days per school year.
- $117,000 will be budgeted for a Foster Youth Coordinator
- $120,000 will be budgeted to continue to utilize NWEA K-11th in ELA and Math as district benchmark assessment system to identify the achievement and needs of Natomas Unified student subgroups

These LCAP actions and services total $4,162,000, the minimum proportionality percentage and only represent a portion of the actions and services that will be increased/improved/targeted for ALL students, including ALL subgroups, socioeconomically disadvantaged students, foster youth, students with disabilities, and English learners.
