

NATOMAS UNIFIED SCHOOL DISTRICT
Citizens' Bond Oversight Committee
Measure D

2013-14 Annual Report
January 2015

I. Introduction

This is the 2013-14 Annual Report of the Citizens' Bond Oversight Committee (CBOC) for Measure D of the Natomas Unified School District. This report is prepared, in conformance with California law, to summarize the work of the Bond Oversight Committee and review the past year of activity in the District's Bond Construction Program.

II. History and Overview of the Citizens' Bond Oversight Committee(s)

On November 5, 2002, the Natomas Unified School District ("District") submitted for voter approval Measure M, a bond measure to authorize the sale of \$45.88 million in bonds to improve school facilities. This measure was submitted to voters under the terms and conditions of Proposition 39 (Article XIII of the California State Constitution), which requires a 55 percent affirmative vote for passage. Measure M passed with 72.4 percent.

On June 6, 2006, the District submitted for voter approval Measure D, a bond measure to authorize the sale of \$145.5 million in bonds to improve school facilities. This measure was submitted to voters under the terms and conditions of Proposition 39 (Article XIII of the California State Constitution), which requires a 55 percent affirmative vote for passage. Measure D passed with 62.0 percent.

Because Measure D passed pursuant to Proposition 39, the District was required to establish a citizens' oversight committee and to conduct two independent audits. The first audit is a financial audit similar to a District's annual financial audit. The second audit is a performance audit, which evaluates the effectiveness, economy and efficiencies of the bond facilities program.

As of June 30, 2011, all funds associated with Measure M funds have been fully expended. Therefore, the CBOC's scope and report for 2013-14 only relates to expenditures associated with Measure D funds.

III. Committee Membership

California Education Code, Sections 15278-15282 established the duties of a school district and its duly formed citizens' oversight committee with respect to Proposition 39 bond measures. This code requires that the governing board establish and appoint members to an independent citizens' oversight committee within 60 days of the date that election results are certified.

The Committee must consist of at least seven members to serve for a term of two years without compensation and for no more than *three consecutive terms* (amended Education Code Section 15282). The Committee must include:

- One member who is active in a business organization representing the business community located within the school district.
- One member active in a senior citizens' organization.
- One member who is a parent or guardian of a child enrolled in the school district.
- One member is both a parent or guardian of a child enrolled in the school district and active in a parent-teacher organization
- One member who is active in a bona fide taxpayers' organization.

A fourteen-member Citizens' Bond Oversight Committee was appointed by the Board in March 2006, to provide oversight of all bonds passed under Proposition 39, as required by law.

As of June 30, 2014 nine members served on the committee as shown in the table below:

Natomas Unified School District staff and CBOC members continue their efforts to recruit a member to fill the bona-fide taxpayers' representative vacancy.

IV. CBOC Actions

CBOC members actively investigate and prepare a post-construction review report on Measure D projects. Reports are prepared that include a summary of the project, a site inspection, and an inspection of District project records. These reports are presented to the District's Board of Trustees periodically as they are completed. Due to the Natomas building moratorium, activity has decreased from prior years.

V. Performance and Financial Audit Reports

In accordance with the California State Constitution, the District will continue to have a performance audit completed annually until all Measure D funds have been expended. These reports are designed to meet the requirements of Article XIII of the California State Constitution; to inform the community of the appropriate use of funds generated through the sale of bonds authorized by Measure D; and to help the District improve its overall bond program.

The June 30, 2014 annual independent financial audit was conducted by Crowe Horwath. Their report, dated December 13, 2013, states that in their opinion the financial statements present fairly, in all material respects, the respective financial position of the governmental activities, each major fund and the aggregate remaining fund information of Natomas Unified School District as of June 30, 2013, and the respective changes in financial position, for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

The annual independent performance audit was conducted by Crowe Horwath. Their report dated December 2, 2014 states that the results of their procedures indicated that, in all significant respects, Natomas Unified School District expended Measure D General Obligation Bond funds for the year ended June 30, 2014 only for the specific projects developed by the District's Board of Trustees and approved by the voters, in accordance with the requirements of Proposition 39, as specified by Section 1(b)(3)(C) of Article XIII A of the California Constitution.

VI. Communications with the Public

A CBOC website, as required by law, exists, and the information that is posted includes committee member contact information, CBOC meeting agendas and minutes, committee by-laws, and the date, time and location of the next meeting. Copies of the Bond Performance Audit from previous periods are also included, as well as an invitation and application for community members interested in becoming a member of the CBOC. *(Note: Not all links were accessible until the redesign of the new Website was completed.)*
