The Superintendent or designee shall maintain personnel files for all current employees at the district's central office or at the location where the employee works.

The Superintendent or designee shall determine the types of information to be included in personnel files, including, but not limited to, records required by law, and shall process all material to be placed in such files.

When an employee is asked to sign any material that is to be placed in his/her file, he/she shall be informed that the signature only signifies that he/she has read the material and does not necessarily indicate that he/she agrees with its contents.

Any request by an employee to include materials in his/her personnel file must be approved by the Superintendent or designee.

An employee may initiate a written reaction or response to his/her performance evaluation. The response shall be permanently attached to the evaluation and placed in the employee's personnel file.
