**WHEREAS**, the Governing Board's Vision states, "All NUSD students graduate as college and career ready, productive, responsible, and engaged global citizens," ([Board Policy 0000: Vision](#)) and the Governing Board affirms that this Vision is irrespective of students immigration status, ethnicity, race, religion, sexual orientation, ability, sex and gender identity, socioeconomic status or beliefs;

**WHEREAS**, Natomas Unified School District is ranked as the second most diverse school district in the nation and first in Sacramento County as reported by The New York Times on December 6, 2016, as cited in the table below;

United States > California > Sacramento County

**Natomas Unified**

**WHEREAS**, the Governing Board embraces the diversity of our students and families and the rich language and cultural assets they bring to our District and strongly supports and

encourages the participation of all parents and families in our schools ([Board Policy 0410: Nondiscrimination in District Programs and Activities](#));

**WHEREAS**, while there are no accurate numbers of how many undocumented children are enrolled in our District's public schools, approximately 30% of our District's students speak a language other than English at home, and approximately 50 native languages are spoken by families whose children are enrolled in our District;

**WHEREAS**, The United States Supreme Court held in *Plyer v. Doe* (1982) that no public school district has a basis to deny children access to education based on their immigration status, citing that children have little control over their immigration status, and noting the harm it would inflict on the child and society itself, and noting the equal protection rights of the 14th Amendment;

**WHEREAS**, ICE's 2011 policy states that it will not conduct immigration enforcement activity at any sensitive location, which includes schools, without special permission by specific federal law enforcement officials; unless exigent circumstances exist;

**WHEREAS**, "The Governing Board shall make every effort to maintain a safe, positive school environment and student services that promote student welfare and academic achievement,"([Board Policy 5000: Students, Concepts and Roles](#)) which is further supported by a Governing Board goal to, "Create safe and welcoming learning environments where students attend and are connected to their schools" ([Board Policy 0200: Board Goals](#)); and

2. All requests for information or documents by ICE or federal agencies/other authorities enforcing immigration laws should be forwarded to the Superintendent or designee for review, who, in consultation with District legal counsel, shall determine if the information and/or documents must be released.

4. District legal counsel, and other District personnel as designated by the Superintendent, will review the impact of changes in federal immigration laws programs such as Deferred Action for Childhood Arrivals (DACA) and work to prevent and mitigate the negative impact on both students and employees from the collection or storage of any personally identifiable information for immigration enforcement purposes.
