

Bannon Creek

California Department of Education School Accountability Report Card Reported Using Data from the 2016-17 School Year Published During 2017-18

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the [CDE DataQuest Web page](#) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

About This School

Contact Information (School Year 2017-18)

District Contact Information (School Year 2017-18)	
District Name	Natomas Unified
Phone Number	(916) 567-5400
Superintendent	Chris Evans
E-mail Address	cevens@natomasunified.org

School Description and Mission Statement (School Year 2017-18)

Our Bannon Creek School (K-8) community believes that all children can learn. We do Whatever It Takes to nurture, educate, and challenge our students. The academic progress of each learner is measured using district and state assessments which are reviewed by staff using Professional Learning Community and shared with families through ongoing communication. Interventions are provided for students performing below grade level standards. Bannon Creek School fosters appreciation for learning and cultural diversity. It is our mission to empower students to successfully approach life's transitions and challenges.

Student Enrollment by Grade Level (School Year 2016-17)

Grade Level	Number of Students
Kindergarten	106
Grade 1	84
Grade 2	76
Grade 3	69
Grade 4	63
Grade 5	88
Total Enrollment	486

Last updated: 11/28/2017

Student Enrollment by Student Group (School Year 2016-17)

Student Group	Percent of Total Enrollment
Black or African American	27.8 %
American Indian or Alaska Native	0.8 %
Asian	5.3 %
Filipino	0.8 %
Hispanic or Latino	44.9 %
Native Hawaiian or Pacific Islander	0.8 %
White	14.2 %
Two or More Races	5.3 %
Other	0.1 %
Student Group (Other)	Percent of Total Enrollment
Socioeconomically Disadvantaged	82.3 %
English Learners	25.3 %
Students with Disabilities	17.7 %
Foster Youth	2.1 %

Last updated: 11/28/2017

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials

Teachers	School			District
	2015-16	2016-17	2017-18	2017-18
With Full Credential	20	26	27	504
Without Full Credential	0	0	0	0
Teachers Teaching Outside Subject Area of Competence (with full credential)	0	0	0	2

Last updated: 1/29/2018

Teacher Misassignments and Vacant Teacher Positions

Indicator	2015-16	2016-17	2017-18
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments*	0	0	0
Vacant Teacher Positions	0	0	0

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Last updated: 1/29/2018

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2017-18)

Natomas Unified held a public hearing on September 27, 2017 and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams v. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information collected in September 2017 about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

Year and month in which the data were collected: September 2017

Subject	Textbooks and Instructional Materials/year of Adoption	From Most Recent Adoption?	Percent Students Lacking Own Assigned Copy
Reading/Language Arts	Wonders - McGraw Hill 2016	Yes	0.0 %
Mathematics	Go Math - Houghton Mifflin 2015	Yes	0.0 %
Science	California Science - Pearson 2008	Yes	0.0 %
History-Social Science	Reflections - Harcourt 2007	Yes	0.0 %
Foreign Language	N/A		0.0 %
Health	N/A		0.0 %
Visual and Performing Arts	N/A		0.0 %
Science Lab Eqpmt (Grades 9-12)	N/A	N/A	0.0 %

Note: Cells with N/A values do not require data.

School Facility Conditions and Planned Improvements

Bannon Creek School was constructed in 1991. There are 14 classrooms, 17 portables, 7 Admin/Library/Multipurpose buildings, and 2 playgrounds. A new 16 classroom building was added for occupancy in January 2017. Bannon Creek School has two outdoor play structures, seven outdoor tables, and planter boxes for classroom gardens. Bannon Creek has 2.5 dedicated custodial staff members. The custodial staff is responsible for ensuring that all classrooms and facilities are in adequate condition. A work order process is used to ensure efficient services with emergency repairs given the highest priority. Maintenance staff ensure that work orders are completed in a timely manner, and that schools remain in good standing. As part of our deferred maintenance summer work, the parking lot and playgrounds were seal coated and re-painted.

All classrooms doors were repainted and repaired as part of a deferred maintenance project.

CLASSROOM CLEANING STANDARDS (checklist to be used in bi-weekly inspections)

Wastebaskets, paper shredder receptacles, and pencil sharpeners should be empty.
 Wastebasket liners should be clean and free of tears.
 Easily accessible tops of desks, shelves, and other furnishings should be dust-free.
 Doors, door frames, door glass, partition glass, and light switch plates should be free of handprints, dirt, and smudges.
 Window ledges should be reasonably free of dust and debris.
 Easily accessible carpet and/or floor areas should be free of dust, dirt, and debris.
 Difficult areas should be reasonably or somewhat free of dust and dirt.
 All carpet and/or floor areas should be free of dust, dirt, debris, gum, and stains.
 Air intake and exhaust vents or registers should be reasonably free of dust.
 No lights should be burned out.
 Lower, easily accessible windows should be reasonably free of dirt and spots.
 Window blinds should be reasonably dust free.
 Wash whiteboard and bulletin boards.

OFFICE, CONFERENCE, AND STAFF ROOM CLEANING STANDARDS (checklist to be used in bi-weekly inspections)

Wastebaskets, paper shredder receptacles, and pencil sharpeners should be empty.
 Wastebasket liners should be clean and free of tears.
 Easily accessible tops of desks, shelves, and other furnishings should be dust-free.
 Difficult areas should be reasonably or somewhat dust-free.
 Telephones should be free of hand marks and oil.
 Reception or service countertops should be free of marks, handprints, and dust.
 Doors, door frames, door glass, partition glass, and light switch plates should be free of handprints, dirt, and smudges.
 Window ledges should be reasonably free of dust and debris.
 Easily accessible carpet and/or floor areas should be free of dust, dirt, and debris.
 Difficult areas should be reasonably or somewhat free of dust and dirt. All carpet and/or floor areas should be free of dust, dirt, debris, gum, and stains.
 Air intake and exhaust vents or registers should be reasonably free of dust.
 Magazines, books, and informational pamphlets in waiting areas should be arranged in a neat and orderly fashion.
 No lights should be burned out.
 All drinking fountains and sinks should be free of dirt, debris, calcium spots, or build-up. Fixtures should shine.
 Thresholds and entry areas should be free of dirt and dust.
 Conference tables should be free of marks and smudges. Tops should shine.
 High or difficult to dust areas should be reasonably or somewhat dust free.
 Lower, easily accessible windows should be reasonably free of dirt and spots.
 Window blinds should be reasonably dust free.
 Upholstered furniture should be free of dust and stains.

SHOP AND ART ROOM CLEANING STANDARDS (checklist to be used in bi-weekly inspections)

All pencil sharpeners should be empty.
 Wastebaskets and trash cans should be empty, and trash liners should be without tears and soil-free.
 The area around wastebaskets and trash cans should be free of dirt, grease, paint, and marks.
 Sinks, faucets, and easily accessible surrounding areas should be free of dirt, stains, grease, paint, and debris.
 Sinks and faucets should be reasonably shiny.
 Towel and soap dispensers should be reasonably full (at least enough supply for the next school day).
 Dispensers should be free of dirt, dust, prints, grease, paint, and marks.
 All easily accessible horizontal surfaces should be reasonably dust free. It should be noted that shop equipment is maintained by students and teaching staff.
 All accessible floor areas should be free of dirt, dust, grease, paint, and debris, including the edges, corners, and areas around desks, chairs, and benches.
 All floor areas should be free of chewing gum.
 All floor areas should be free of spills and spots.
 Doors, door frames, light switch plates, cabinets, and the area around the pencil sharpeners should be free of dirt, prints, marks, grease, and paint.
 White boards should be free of chalk dust.
 Thresholds and entryways should be free of dirt, dust, and debris.
 All air intake and exhaust vents and registers should be reasonably free of dust.
 All lights should be working. There should be no flickering lights.
 If requested or scheduled, the chalkboard should be free of writing, chalk dust, and handprints.
 All lower, easily accessible window ledges should be free of dust, dirt, and dead insects.
 All lower, easily accessible windows should be reasonably clean.
 High or difficult to reach areas should be somewhat dust-free.

SIDEWALKS, WALKWAYS, RAMPS, STEPS, AND OTHER AREA CLEANING STANDARDS (checklist to be used in bi-weekly inspections)

These areas should be free of trash and debris.
 These areas should be reasonably free of gum.
 These areas should be reasonably free of stains and spills.
 The edges and corners of buildings and raised walkways should be reasonably free of dirt, sand, dead grass, and debris.
 The areas under open ramps should be somewhat free of debris.
 Easily accessible areas under ramps should be free of paper and trash.
 Areas adjacent to closed ramps should be free of trash, dirt, and debris.
 Steps should be free of trash, dirt, and debris. Corners and edges of steps should be free of build-up.

CAFETERIA CLEANING STANDARDS (checklist to be used in bi-weekly inspections)

Trash/Recycling cans should be empty, re-lined with new liners and free of stains, liquid, and debris inside and out.
 Cafeteria tabletops should be free of food, liquid, and debris.
 Table frames should be reasonably free of dust, stains, and marks.
 The walls should be free of food, liquid, stains, handprints, and marks.
 All accessible floor areas should be free of food, liquid, debris, and dirt. Floors should be free of haze and mop-stroke marks. There should be a reasonable shine to the floor.
 The edges and corners of floors should be free of any dust, dirt, or buildup.
 The drinking fountains, fixtures, and surrounding wall area should be free of dust, dirt, stains, marks, and debris. Drinking fountains and fixtures should be reasonably shiny.
 Stage floors, steps, and handicap lift should be free of dirt, food, trash, debris, and liquid.
 Doors, door frames, switch plates, and surrounding areas should be free of handprints, marks, and dirt.
 Partitions and door glass should be free of handprints, marks, smudges, food, and liquid.
 All lights should be working. There should be no flickering lights.
 All exit lights should be operational.
 Thresholds and entry areas should be free of dirt, dust, and stains.
 There should not be any gum or buildup in these areas.
 Air intake and exhaust vents should be reasonably dust free.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven (School Year 2016-17)

Subject	Percentage of Students Meeting or Exceeding the State Standards					
	School		District		State	
	2015-16	2016-17	2015-16	2016-17	2015-16	2016-17
English Language Arts / Literacy (grades 3-8 and 11)	16%	18%	44%	43%	48%	48%
Mathematics (grades 3-8 and 11)	16%	11%	35%	33%	36%	37%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Last updated: 11/21/2017

CAASPP Test Results in ELA by Student Group**Grades Three through Eight and Grade Eleven (School Year 2016-17)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	222	220	99%	18%
Male	118	116	98%	18%
Female	104	104	100%	18%
Black or African American	68	67	99%	13%
American Indian or Alaska Native	--	--	--	
Asian	--	--	--	
Filipino	--	--	--	
Hispanic or Latino	102	102	100%	19%
Native Hawaiian or Pacific Islander	--	--	--	
White	23	22	96%	36%
Two or More Races	17	17	100%	12%
Socioeconomically Disadvantaged	178	177	99%	17%
English Learners	45	45	100%	
Students with Disabilities	43	42	98%	12.07%
Students Receiving Migrant Education Services				
Foster Youth				

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Mathematics by Student Group**Grades Three through Eight and Grade Eleven (School Year 2016-17)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	223	222	99%	
Male	119	118	99%	
Female	104	104	100.00%	12%
Black or African American	51	50	98%	
American Indian or Alaska Native	--	--	--	
Asian	--	--	--	
Filipino	--	--	--	
Hispanic or Latino	102	102	100.00%	15%
Native Hawaiian or Pacific Islander	--	--	--	
White	23	23	100%	17%
Two or More Races	18	18	100.00%	
Socioeconomically Disadvantaged	178	178	100%	
English Learners	45	45	100%	18%
Students with Disabilities	43	42	98%	
Students Receiving Migrant Education Services				
Foster Youth				

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Last updated: 12/11/2017

CAASPP Test Results in Science for All Students**Grades Five, Eight and Ten**

Subject	Percentage of Students Scoring at Proficient or Advanced					
	School		District		State	
	2014-15	2015-16	2014-15	2015-16	2014-15	2015-16
Science (grades 5, 8, and 10)	27.0%	32.0%	54.0%	51.0%	56%	54%

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

Last updated: 12/12/2017

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

California Physical Fitness Test Results (School Year 2016-17)

Grade Level	Percentage of Students Meeting Fitness Standards		
	Four of Six Fitness Standards	Five of Six Fitness Standards	Six of Six Fitness Standards
5	7.4%	2.1%	--

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Last updated: 12/12/2017

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite

Opportunities for Parental Involvement (School Year 2017-18)

Parent and community involvement plays a critical role in the success at Bannon Creek School. We encourage our parents to become involved in our school Parent Teacher Association (PTA), School Site Council (SSC), English Language Acquisition Committee (ELAC), and/or the District English Language Advisory Council (DELAC). Additional ways for parents to become involved at school are: volunteering in the classroom, helping to supervise the playground, teaching an after-school activity, joining the principal once a month for Parent Coffee Chat, attending parent-teacher conferences or simply supporting your children at home with their academic growth. We also have our After School Educational System (ASES) program supporting families school wide with regularly planned family engagement events (M.A.S.T.E.R.S., Roberts' Family Development Center, Children's Development Center).

State Priority: Pupil Engagement

Last updated: 12/18/2017

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

Rate	School			District			State		
	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17
Suspensions	3.9%	3.9%	7.6%	5.7%	6.6%	5.8%	3.8%	3.7%	3.7%
Expulsions	0.2%	0.2%	0.0%	0.1%	0.1%	0.1%	0.1%	0.1%	0.1%

School Safety Plan (School Year 2017-18)

Bannon Creek School has a comprehensive School Safety Plan that is in compliance with Senate Bill 187. This plan is reviewed and revised on a yearly basis. Our safety plan outlines procedures for our site crisis response team for different emergency threats that may occur. Bannon Creek School staff and students practice monthly drills for such emergencies. We debrief after every drill to monitor our safety needs. We work with our school safety team, School Site Council, Building Team, and Leadership Team to help refine our emergency response procedures.

Types of Services Funded (Fiscal Year 2016-17)

Natomas Unified School District offers a wide range of support services for students including but not limited to academic, a school psychologist, adaptive physical education, home and hospital teachers, district nurse, and health assistants. At Bannon Creek School, we have after-school activities and academic programs known as MASTERS, Roberts' Family Development Center, and the Child Development Center. Our school also receives Title 1 funds to support low income and neglected students, LCFF EL funds, and LCFF funds which are used to increase student achievement. We offer several supplemental curriculum programs that are used for curricular support through enrichment and intervention. We offer Wonders and Go Math chapter and unit tests, Accelerated Reader, Read Live, Second Step, and targeted after school support/tutoring to support academic achievement. English Learners receive 30 minutes of specific English Language instruction during WIN time, while our non EL students participate in enrichment and intervention classes.

Professional Development

Teachers receive on-going training in the math and language arts core curriculum that aligns staff development to CCSS, unit assessments to assess student performance, and professional needs: We are a standards-based district using data to backward map lessons/units to drive instruction. Everything we do begins with a working knowledge of the district objectives, state standards, and student data. When planning staff development training, we begin with assessing student performance and student movement toward proficiency in the standards. Bannon Creek uses student data from Wonders and Go Math formative,

chapter and unit assessments, CAASPP, and our curricular assessment results. CAASPP student data reflects the need for more training in reading comprehension, written conventions, and number sense. We have identified students who need and will receive targeted intervention using specific curriculum to accomplish our goal of helping students increase their academic success. Bannon Creek runs an after-school strategic intervention program (Beavers Reaching Academic Goals) to give students additional opportunities for success. Our teachers have been trained on the use of the intervention materials and best practices for implementation. In addition, we have a team of teachers who received training to access new curriculum. This practice will help us to identify specific focus standards to guide instruction and planning to support students and their academic needs. In addition, our team follows a Professional Learning Communities (PLC) development model. PLC collaboration will guide our grade levels to be student-focused, and targeted instruction and interventions will be implemented to meet our student needs.

EL Students: Bannon Creek is using Wonders, Go Math, and backward mapping or planning to support academic achievement. The goal of our instruction is to accelerate our EL students' academic levels each year. We have teachers trained in the ELD Curriculum and strategies. While specific ELD instruction is happening, other students are receiving enrichment in specific mathematical standards. Student progress is monitored regularly to determine appropriate placement. A Site Building Team assists the school principal to identify, share, and discuss important student data and provide targeted instruction to meet the needs of staff and students. Bannon Creek participates in district wide provided Professional Development using Generation Ready Consultants with district provided TOSAs. Lastly, Bannon teachers have implemented new Wonders and Go Math curriculum and K-12 teachers have recently received training on Infinite Campus, a new data management program and now using Google Docs and Google Classroom to support student achievement. Trainings are being provided through teacher release time, PLC meetings, or district provided trainings.
