THEORY OF ACTION FOR STUDENT SUCCESS

In order to achieve Natomas Unified’s Vision and implement its Core Belief and Commitments, the Board of Trustees commit to a Theory of Action for Student Success. This Theory of Action is intended to provide stability and consistent direction for student success. This theory will drive the Board's policies, budgets, and staff actions to build and maintain the culture of Natomas Unified. The Theory of Action addresses seven major areas. These areas are:

Staff Quality & Commitment

The foundation of the Theory of Action states that students in Natomas Unified deserve staff that are committed, collaborative, caring, and exemplary. As such, Natomas Unified must implement practices and procedures to recruit, hire, provide initial training and retain high quality staff in certificated, classified and management positions. Vacant positions must be filled in a timely fashion with the highest qualified staff. The district and its staff must recognize staff preparation and attendance are critical for student success and take action to reinforce the importance of staff attendance and preparation.
