March 24, 2021

Bill Young,
CBO/Deputy Superintendent
Presentation Objective

• Provide an update regarding the 2021-2024 LCAP Stakeholder Engagement Survey Results and Next Steps
“Significant and purposeful engagement of parents, students, educators, and other stakeholders, including those representing the student groups identified by LCFF, is critical to the development of the LCAP and the budget process. Consistent with statute, such stakeholder engagement should support comprehensive strategic planning, accountability, and improvement across the state priorities and locally identified priorities (EC 52064(e)(1)). Stakeholder engagement is an ongoing, annual process.”
