**For students in grades 9-12, this is a virtual independent study and in-person instructional learning model with a blended learning schedule at Inderkum High School, Natomas High School, and Discovery High School. The Academy is intended to be an educational commitment, a long term learning alternative to traditional schools, not a temporary alternative to the current global pandemic. Students still have access to elective courses, athletics/sports, ASB events, extracurricular activities, and CTE courses at their boundary high school.**

By signing below we agree to enroll in the NUSD K-12 Virtual Academy. A Master Agreement for a Virtual Independent Study Program will be provided to you by June 30, 2021 that must also be completed to complete the enrollment process.
