

## 8<sup>th</sup> Grade College Fair Checklist

In order to earn a 4, you must complete the following:

- Choose a college you're interested in
- Research a college online and include the following:
  - Requirements to get into the college
  - College costs (tuition, housing, etc)
  - Knowledge of average class size, clubs/sports offered, ethnic makeup, programs of study, student support services offered.
  - Identify why this college would be a good fit for you
  - Showcase one possible path to get into this college
- Create a poster board and brochure with all information listed above.  
Poster board must be:
  - Decorated
  - Organized
  - Easily readable
  - Inclusive of all research done
- Give a 1 minute presentation covering all of the research you did and be able to answer questions from the audience.
- Create an interactive activity at your booth for audience members (ex: photo booth, bingo)
