NP3 Middle School Parents:

On the afternoon of Tuesday, October 23rd from 12:45 PM – 3:00 PM NP3 Middle School will be hosting a Career Day for our 7th grade students. To ensure the success of this event we are looking for volunteers. We are asking professionals in our community to represent their own career and provide short presentations to our students. Our goal is for students to learn about various careers, as well as the education and training required. We are looking for diverse careers such as photographers, chefs, cosmetologists, dentists, construction, graphic design/computer science, etc. We are also looking for volunteers to provide items for lunch that we will be providing to the presenters, and for volunteers to help set up and clean up lunch.

If you, or anyone you know, may be willing to present or help with lunch at our Career Day October 23rd, please complete the form below and return to Mr. Brinkmann's box. Please have your completed form turned in by Friday, September 14th. We will contact you shortly after with further details. If you have any questions, please contact Jon Brinkmann (Counselor) at 916-567-5751 or jbrinkmann@natomasunified.org. Thank you!
