

If so, then Destination Imagination is for YOU!!!

Destination Imagination is a team competition where teams build projects to complete fun challenges and present them in a skit. This is a great opportunity to make new friends, prepare yourself for the future, learn new skills, build teamwork, and improve your problem solving skills. We are trying to recruit a team for NP3 with 4-7 6th to 8th graders. We will have a lunch meeting after Fall Break on Tuesday, October 16th in Ms. Missio's Room 102 to provide additional information, and discuss competition fees. If you have any questions, please contact me at sachitg@gmail.com.
