Quarter 2

7th Grade Bay Area Field Trip

Our 7th grade students and staff will be heading down to the Exploratorium in San Francisco, followed by a tour of UC Berkeley on February 22nd! All students are encouraged to attend this wonderful opportunity to gain college knowledge, build positive relationships with classmates and teachers, and have a blast experimenting at San Francisco Exploratorium on Pier 15. Please contact your student's Advisory teacher with any questions about the Bay Area field trip.

Save the Date!!

NP³ is hosting our first annual K-12 Wellness Fair for our parents! Come learn, grow, and ask questions with your fellow school community members. We have a variety of speakers and presenters who are excited to share their knowledge with you on a variety of health and wellness topics.

Community and statewide professionals will be on campus January 30th, 2019 for our parent population. A fair with informational booths and activities will take place in the NP3 MS/HS Gym from 5:30 - 7:30; all while different breakout session take place in respective classrooms on campus.

Raising kids can be challenging and NP³ wants to assist you and your child along the way. Come learn more about mental health, suicide awareness and prevention, healthy eating and portion sizes, car and water safety, safe sex, cyberbullying and technology use, Mindfulness and transitions to high school to just name a few! This event is geared towards all of our K-12 parents and is beneficial to any parents, regardless of the age of your student.

Please contact Jon Brinkmann (916-567-5751) with any questions about NP³ Wellness Fair January 30th!

WHAT'S HAPPENING AT NP³ SCHOOLS?

NP³ Elementary

NP3 E held a "Matey Feast" where students brought in their family's favorite dish to share with their class! Our students enjoyed learning more about each other!

NP³ Middle

Our 8th grade class visited Sacramento State for a campus tour! Our 8th graders had the opportunity to interact with current college students, all while being enriched in the CSUS environment.

NP³ High

Our 11th-grade class visited Woodland Community College, UC Davis and Sacramento State for campus tours to continue their college knowledge growth.

NP³ News Action Team

NP³ News consists of students from all grade levels taking their interest in reporting to a new level! NP³ News action team is all over campus interviewing staff and administration on current events, daily activities, and weekly announcements. Our NP³ News action team has a real green screen, cameras, and tripod for the most accurate (and fun!) productions possible. If your student is interested in being apart of the NP³ News team please see Mr. Larin for more details.

ATS Testing

ATS testing is back at NP³ MS! Students can sign up through their counselor during the months of December and January. Look for information in the Monday advisory email. The test is not pass or fail, however it allows students to sign up for summer courses. The test will be held on Feb 1st @ 1:30 pm and the cost is \$20. If a few waiver is needed please let your counselor know. This is a wonderful summer program that allows students to explore and study in depth subjects that they love on a local college campus. For more information check out their website: <https://www.csus.edu/coe/ats/>

Career Fair 2018

Our 7th grade class has focused on career knowledge and readiness throughout Quarters 1&2 in advisory class. Students were assigned a career/ profession to research, and create a presentation for our Career Fair 12/12/18. Our 7th graders went above and beyond with some amazing information and presentations!! Great work 7th grade team!
