

8th Grade College Fair

Our 8th grade team has been working throughout the year to make our annual College Fair great for everyone involved. Students began writing and contacting colleges across the country searching for information and resources to build their own presentation boards. 8th grade Advisory classes compete amongst each other for the title of College Fair Champions. Last year Mr. Berry's class knocked off the two time defending champion Ms. Silas's Advisory. This year Ms. Silas looks to get her students back in the winner's circle, but faces a tough task as 2018 champ Mr. Berry, Ms. Snelling, Mr. Kons, Ms. Kees Mr. Hara, and Ms. Harrigan's Advisory students all stand in their way. 8th grade parents may check out their student's college fair projects during Leadership Day. For more information on Leadership day, see the back of this newsletter! The rest of the school will participate on May 24th during the school day for our annual competition.
