

Second Grade News

Matey Message Week of January 13th

Happy Monday! Both second grade classes have been working hard to consistently be able to add and subtract numbers through 200 with regrouping. We will take our Module 4 test on Friday 1/17. In order to help support your child, a practice test has been sent home in your child's homework folder. This is an **optional** activity and does not need to be returned to school. Thank you for all the support in helping your child become a great mathematician!

ELA: We are working on determining the theme of a text. Students will also be asked to explain how they know what the theme is using examples from the text.

Math: Second graders are working on adding and subtracting numbers through 200 using multiple strategies. Keeping up with Zearn homework will help your child be successful on these lessons in the classroom!

Social Studies: We will begin our unit on North America and the characteristics of maps.

Homework: Please check your child's yellow homework folder every Monday for more information. If you have any questions, don't hesitate to email! Thank you to those that are staying caught up on Zearn. This makes such a huge difference in the classroom!

Dates to Remember:

January 20th- No School

School Wide News

- January 13, 2020
 - **Calendar & Attendance:** We care about your child's education and experiences which means we also care about their attendance. This is a friendly reminder to re-familiarize yourself with the NP3 calendar and attendance policies. [Click here](#) to familiarize yourself with our 19-20 calendar and attendance policy. Please plan your vacations and trips accordingly. Your student's attendance is very important.
 - **Quarter 3 Enrichment after school classes: Enrichments for Q3 are here! Please use the link below to see what classes are offered and to register. Classes will run January 20th 2020 thru March 6th 2020 and be held once a week.**
Cost: \$42.00 for the 7 week session -- Each additional student will receive a 10% discount for the session -- Payments will be made online through Myprocare.
*Classes are free for M.A.P. Students currently registered for the 2019/2020 school year and

will only be charged if your child does not attend M.A.P. the day of the class. Use this link to find out more information and to register. https://natomasunified.org/np3e/parents/after-school-programs/?fbclid=IwAR0YM2mM72EIQ_skzACDw5P-St5679-4S0-EqGc_pK9W0tLvbPM3_bUc71o

- **Rocket Launch Workshop:** Are you interested in building and launching a rocket? We are holding a Rocket Building Workshop hosted by M.A.P. instructed by Gary Kubodera. There is also a raffle to win a model rocket kit. See Aericka Westerfield (in the front office) to buy tickets. \$3.00 for 1 ticket OR \$5.00 for 2 tickets.

Find out more information and register by clicking the link below.
