

Second Grade News

Matey Message Week of January 6

Happy Monday! It is hard to believe that we are already in Quarter 3! The second graders came back from break motivated and ready to learn. We are so excited too see the growth and success your children have throughout the rest of the school year.

ELA: We are working on comparing and contrasting two texts. Students will also begin an opinion paper on their favorite Roald Dahl book.

Math: Second graders are working on adding and subtracting numbers through 1,000 using multiple strategies. Keeping up with Zearn homework will help your child be successful on these lessons in the classroom!

Social Studies: We will begin our unit on North America and the characteristics of maps.

Homework: Please check your child's yellow homework folder every Monday for more information. If you have any questions, don't hesitate to email! Thank you to those that are staying caught up on Zearn. This makes such a huge difference in the classroom!
