Inderkum High School

2016 - 2017
Grades 9 - 12

Art 2

Art 2 is an intermediate level course designed to teach students several methods of art making using a multitude of mediums to explore their creativity and knowledge of subject matter on a deeper and more extensive level than Art 1. The course will mainly be focused on ceramic art as well as painting and drawing. The class will begin by exploring big ideas about what art is and how it impacts society. Students will explore art within different cultures and make connections between historical masters and present day artists. Students will also be introduced to content specific vocabulary and academic language that will be used as a tool in group, independent, written, and oral critiques as we explore art criticism and aesthetics. Students will be encouraged to make personal connections to different types of art and explore self expression as they delve into each project. Art shown in class lectures will explore controversial, global, and cultural content.

Class presentations, topics, and critiques are designed to give the students a better understanding of aesthetics, career and global connections which will increase students life skills and problem solving abilities. Students will continually work to develop projects using the elements of art and principles of design throughout the semester. All projects will be connected to the California Common Core Standards ELA/Literacy and 9-12 grade VAPA content standards for California Public Schools: <http://www.cde.ca.gov/be.st.ss.vamain.asp>

Art 2 experiences may include, but are not limited to: Drawing, painting, ceramics, collage, assemblage, art history, art careers, and **reading/writing/discussion about ART**. Journaling, sketching, self-critiquing and group-critiquing of work will be expected of all students at the completion of projects. All Art 2 students will participate in a final exhibition at the end of the year. Each student must display at least 3 works of complete art in at least 2 different mediums.

Main Course Objectives:

-Content-

1. Students will understand why we make art and understand its meaning to the individual, its purpose in society, in history and in the environment beyond the beginning level.
2. Students will understand that there are many aspects to the study of art, including aesthetics, art criticism, art heritage, and art making.

3. Students will understand the definition and purpose of the elements and principles of design, and will be able to apply this understanding to the design, creation and analysis/evaluation of two and three-dimensional forms.
4. Students will be able to exhibit (through their work) a variety techniques and processes.
5. Students will be able to identify, use and take care of a variety of tools, materials and equipment which are used in this course.
6. Students will be able to use terminology related to course content.
7. Students will be able to analyze and evaluate their own work and the work of others in regard to the areas of art heritage, aesthetics and art making.

-Social-

1. Students will be able to work in a cooperative and collaborative manner with other students and the teacher.
2. Students will develop an appreciation of the work of others, and respect the workspace of others.
3. Students will learn to maintain an efficient and organized studio.

Safety and Conservation: Safety and conservation is a high priority in the Ceramics/Art studio. All students must use tools and materials in a safe and responsible manner. Studio rules will be discussed in detail in class.

STUDENTS ARE EXPECTED TO HAVE RESPECT FOR TOOLS AND MATERIALS. THROWING OF CLAY OR ANY OTHER ART MATERIALS WILL NOT BE TOLERATED AS IT ENDANGERS THE SAFETY OF OTHER STUDENTS AND CAN DAMAGE PROPERTY. THROWING OF CLAY IS CONSIDERED AN ACT OF VANDALISM AND WILL BE TREATED AS SUCH.

ANY STUDENT WHO THROWS CLAY WILL BE SUSPENDED FROM CLASS FOR ONE OR MORE DAYS. REPEATED ACTS MAY RESULT IN THE STUDENT BEING DROPPED FROM THE CLASS.

Sketchbooks: Sketchbooks are required for this class. Sketchbooks will be used for working out ideas, exercising creativity, and taking notes. Students are required to purchase a spiral notebook, preferably without lines, to be used as a sketchbook and journal throughout the semester. A simple folder with white paper will suffice.

Grading: Student performance is evaluated **based on effort, participation, following directions, project completion in a timely manner, originality, creativity, craftsmanship, attendance, and attitude.** Final class grades will reflect growth or regression in these areas. *See details in course expectations.* **Grades will be posted/updated on Infinite Campus.** Students

will be expected to create work that is elevated from the work produced in their Art 1 class and describe their process in a curatorial assignment. Student made projects that reflect Fair or Poor work will not be fired in the kiln as well as broken projects. If a student's project breaks during the drying process, they will need to remake it. See attached Rubric.

YOU (the student) are responsible for any lost or missing artwork or supplies. Credit will not be given until the work is made up, for ANY reason.

Rules and Consequences: R's & C's have been created to assist in the successful learning and safety of all students. All Inderkum policies will be followed as outlined in the Student Handbook. It is your responsibility to be aware of these policies.

Materials Costs: *There is **no** required fee for this class.* However, if you wish to purchase a new and personal bag of clay there is a \$10 fee. Students who do not wish to purchase their own bag of clay will work with recycled clay and provided materials. The benefit of having your own clay is the freedom to create projects at whatever scale you choose. *Again, it is not required.*

Course Expectations

A.Expectations of the Student...

1. **I, the teacher,** will provide a safe, clean, relevant, rigorous learning experience, according to my knowledge and experience as an Artist, Educator and Community Member.
2. **I, the teacher,** will treat students fairly, consistently and appropriately.
3. **I, the teacher,** will evaluate all students equally based on the set criteria and standards of the course.
4. **I, the teacher,** will create curriculum and maintain a classroom environment that is aligned with Natomas Unified School District's vision, core beliefs, and commitment.

B.Expectations of the Teacher...

1. **All students** will work to their own best ability and continually strive to grow and improve in their understanding and skill of the subject.
2. **All students** will treat each other and the staff of IHS with respect and courtesy.
3. **All students** are responsible for their own actions and consequences.

C. Rules & Consequences... R & C's have been created to assist in the successful learning and safety of all students. All Inderkum policies will be followed as outlined in the Student Handbook. It is your responsibility to be aware of these policies. Specific details for this Ceramics class listed below:

1. **Cell phones** are a tool often used in art class. However, cell phones cannot be a distraction. Success for each student is most important. If cell phones become a

distraction consequences will include: 1. Warnings 2. Loss of cell phone privileges 3. Cell phone referral/detention and home contact 4. Potential confiscation of devices by office staff and/or class suspension with home contact 5. Class suspension and guardian conference. **Your are required to ask permission to step outside to make a call, if needed.** Music players are permitted, but must have headphones and pre-programmed music. The privilege of use may be revoked if music players are misused or inappropriate behavior is displayed.

2. All dress code policies of IHS will be followed.
3. Inappropriate language including put-downs and other derogatory terms will not be tolerated. Consequences include: 1. warnings 2. detention and home contact
4. Students are to stay on task in their own work areas during class. It is expected that students will continually endeavor to increase skill and practice of the subject during class time. Teacher critiques and suggestions are for improvement of work and not a personal criticism of the students. Students that do not work the entire class time will lose daily participation points.

D. Absences, Extra Credit & Late Work...

Students with excused absences/suspensions are required to make up their work either after school or at lunch. Each class will have a specific policy regarding late work designed by the students. The student must replace missing or lost work. Extra-Credit opportunities may be granted on an individual needs basis.

E. Disclosure... I, the teacher, have the right to alter the expectations of this class as needed to improve learning outcomes of the individuals involved.
