By signing this form I understand and agree to the registration process as described above. I am aware that a compelling need must be proven in order to petition for any schedule change in the fall which may or may not be granted. I understand that classes I have requested complete my schedule for the entire school year and schedule changes are not permitted at semester.

AP/IB/Advanced Courses Note Only: *The number of sections of Advanced courses offered in the fall is determined by the number of students that request the course. The courses are yearlong, the curriculum is very rigorous and by signing below I understand and acknowledge that my student will not be able to request a schedule change without the possible consequence of a drop "F" on their High School Transcript. Therefore, my student will complete all summer work in preparation for the course.
