

How to apply to the Inderkum Scholars Program (Intent to enroll in IB Diploma Programme Classes)

Go to the Inderkum website natomasunified.org/ihs Near the center top, select Programs, then IB, then Inderkum Scholars. At the right side of the Inderkum Scholars site, there are links for the online application and teacher recommendations. Printable versions of the application are available on the site, but online is preferred.

Fill out the student application thoughtfully and thoroughly. If not attending NMS, Heron, NGMS or LGA, you also must submit copies of 7th and 8th grade transcripts or report cards (after the first semester/trimester ends) and recent standardized test scores (CAASPP or similar). Take pictures and email them to jdowning@natomasunified.org, deliver to the Inderkum office, or fax to Jessica Downing's attention at 916-567-5649.

Give the recommendation request slips to your teachers and politely ask them to respond. You need FOUR, one each from English Language Arts, Math, Science and Social Science.

Applications for the Class of 2023 will be accepted from Nov. 15 until Feb. 15, 2019. Incomplete applications may not be considered. (Students at other grade levels should email first for info.)
