

How to apply to the Inderkum Scholars Program (Intent to enroll in IB Diploma Programme Classes)

Go to the Inderkum website natomasunified.org/ihs Near the center top, select Programs, then IB, then Inderkum Scholars. At the right side of the Scholars page, there are links for the application and teacher recommendations. Printable versions of the application are available on the site, but online is *much* preferred.

Fill out the student application thoughtfully. You will get a confirmation email with more instructions after you apply. *Please read it carefully and check the link about enrolling at Inderkum, which is a separate process.* Some students also must submit copies of 7th and 8th grade transcripts or report cards (after the first semester/trimester ends) and recent standardized test scores (7th grade CAASPP or similar, if taken). Email scans/pictures to jdowning@natomasunified.org (preferred) or deliver to the Inderkum office.

Give the recommendation request slips to your teachers and politely ask them to respond. You need FOUR, one each from English, Math, Science and Social Science. **Applications for the Class of 2028 will be accepted from Nov. 15 until Jan. 31, 2024. Incomplete applications may not be considered. (Students at other grade levels should email first for information.)**

Please be aware: Students may apply to both Scholars/IB and CECA. However, they will be accepted to only one program (or neither). When a student applies to both, the decision will be made by the faculty/program committee about the best fit program. A student may not request to move from one to the other; if space is available, they may apply for the other program for 10th grade.

Student name _____

I am applying to the Inderkum Scholars Program and want to be part of the IB Diploma Programme. Please complete my recommendation as soon as possible. Go to the Inderkum website located at natomasunified.org/ihs Near the center top, select Programs, then IB, then Inderkum Scholars. At the right side of the Inderkum Scholars site, there is a link for the online teacher recommendation.
