

Earth Smart

donating

- To give some of your time or money to help other people.
- *Our class will donate winter coats to needy children.*
- How might you **donate** your time to help your school?

unaware

- You do not know that something is happening.
- *I was unaware that it was raining outside, so I did not take an umbrella with me.*
- Describe a time that you were **unaware** of something.

members

- People who are part of the same group.
- *The members of Mrs. Baxter's 3rd grade class are performing a play for the school.*
- How would you describe the **members** of your family?

contribute

- When you work with a group by giving your time, money, or efforts to reach a common goal.
- *Our class will contribute to the “Keep It Clean” program by picking up the trash on the playground.*
- How do you **contribute** to keeping your classroom clean?
