Only one more semester to go before 6th grade is over! We are halfway done with the school year, but that does not mean we are to forget how we did last semester. This assignment will have you **reflect** on the previous semester. Answer the following questions below *honestly*. Really – be honest!

For each question, **circle** the answer that best reflects how you feel, and then **explain** your answer for each question with AT LEAST 4 written sentences in the box. If you don't have space, you can write your answers on the back of this paper.

1. Overall, how do you feel you did this past semester *behaviorally*?

Very Bad ☹️

Bad

So-So (middle)

Good

Very Good 😊

2. If you answered Good or Very Good, **think about and explain** what you did to do Good or Very Good behaviorally, and what you will do to do well this semester. If you answered Very Bad, Bad, or So-So, **think about and explain** what you did (or didn't!) do to do a Very Bad, Bad, or So-So job behaviorally, and what you will change to do better this semester.

5. What is your **academic** goal this semester? Do you think you can achieve it? If you think you can't, then choose a different goal! If you think you can, **explain** why.

6. What is your **behavioral** goal this semester? Do you think you can achieve it? If you think you can't, then choose a different goal! If you think you can, **explain** why.

7. Write or sign your name on the bottom sentence.

I, _____, promise to do my best this semester according to the goals I have set in this reflection!
