

Dear Parents and Guardians,

December 2023

Your child is embarking on their last year at NP³ Middle and we want to ensure we communicate details and information pertaining to both promotion and supporting your child's transition to NP³ High.

In order to participate in the promotion ceremony in May, students are expected to demonstrate a specific level of proficiency in their learning and citizenship. Additionally, students must demonstrate good citizenship.

Most of the eighth grade class have spent their entire middle school years with us and understand the importance of task completion and showing what skills and knowledge they know. Students must also complete all assigned work, including re-assessments by Friday, May 24. To this end, the eighth grade teachers will do their utmost to be available to students and communicate concerns as they arise.

Students and families can expect to receive information about next steps, in order to support the transition from NP³ Middle to High during 3rd and 4th quarters. There will be information provided on NP³ High course offerings, Advisory, and scheduling. There is also a family information night, student shadow day and NP³ High student visits to 8th Advisory classes.

Please feel free to contact NP³ counseling, administration, and/or your child's Advisor if you have additional questions in regards to promotion.

Sincerely,

NP³ Administration, Counseling, & 8th Grade Team
