NUSD Vision

“NUSD will provide an engaging and safe learning community where all students will demonstrate responsibility, achieve academic and social emotional growth, embrace diversity, and are prepared to make decisions about their college and career success.”

NUSD Core Values

We value learning and achievement for each of our students.
We value our families as partners in the education of their students.
We value diversity, equity, and inclusion.
We value our committed, collaborative, caring and exemplary employe

Safe Haven

We want all NUSD students to know they are safe and welcome, so the Board of Trustees has declared the district a safe haven committed to acting within legal bounds to protect students and families threatened by hate crimes or deportation based on immigration status.

Passed unanimously on February 8, 2017, the resolution is consistent with existing Board-approved commitments that all students have a right to attend public schools and receive equal access to educational programs, diversity is a strength, parent participation is encouraged, and that a key District goal is to create safe and welcoming learning environments.

Our resolution calls for NUSD to act within legal bounds to prevent and mitigate the collection of information about immigration status, the disclosure of such information, and to support students if immigration enforcement authorities seek to visit a school to interrogate or take a child into custody.

NUSD is one of the most diverse school districts in the United States – 30 percent of our students speak more than one language – and this safe haven resolution is consistent with our Core Values.

Other California school districts also have declared themselves safe havens. Former State Supt. of Public Instruction Tom Torlarkson encouraged such action, noting that a 1982 U.S. Supreme Court decision requires schools to enroll all eligible children regardless of immigration status.

Every NUSD student is a valuable part of our district family, and providing an engaging and safe learning community where all students will demonstrate responsibility, achieve academic and social-emotional growth, embrace diversity, and are prepared to make decisions about their college and career success is NUSD's mission, regardless of immigration status.

Welcome to the 2023-2024 School Year!

Welcome to the 2023-2024 school year! As Proud Pumas we are committed to our mission to *inspire globally minded scholars through academic excellence*, and Mr. Kolak and I are eager to continue this work in collaboration with our families, faculty, and scholars. We will continue our literacy focus this year, and our wonderful TOSA Mark Bornstein will be back with us to support our faculty and scholars in this work.

PVS is committed to developing *global minded scholars* by providing high quality instruction and challenging learning experiences in a safe and nurturing environment. Each of you have an opportunity to work as an integral part of the PVS community by coming to your child's classroom, communicating with your child's teacher, volunteering and attending school events and fundraisers, joining our Parent-Teacher Association (PTA) and working with the School Site Council (SSC), and the English Learner Advisory Committee (ELAC). As a registered volunteer (fingerprinting and TB tested) you can also attend field trips and sponsor extracurricular activities such as game groups, clubs and teams, or host other events. Please review important information in our [digital backpack](#) such as: our [bell schedule](#), faculty roster, school calendar of important dates such as TK/K orientation and Puma Pathways Night. Information will be updated on the Paso Verde School website and the PVS Parents Facebook page <https://www.facebook.com/groups/pasoverdeparents>.

I look forward to joining you in this work and look forward to meeting our PVS scholars very soon!

In Partnership,

Amy Whitten
PVS Principal

Attendance Information

Importance of Positive Attendance

Showing up for school has a huge impact on a student's academic success starting in kindergarten and continuing through high school. Even as children grow older and more independent, families play a key role in making sure students get to school safely every day and understand why attendance is so important for success in school and on the job.

Students who have habitual attendance issues (unexcused or unverified absences or truants) may experience a negative impact on their grades as well as limited access to traditional school activities such as dances, sports, drama performances, field trips, etc.

Parents are highly encouraged to check their student's attendance status online via Infinite Campus and support their students arriving at school on time each day. For inquiries regarding Infinite Campus, or if an Infinite Campus password is needed, please feel free to contact the main office.

Facts about Attendance

- Students should miss no more than 9 days of school each year to stay engaged, successful and on track to graduation.
- Absences can be a sign that a student is losing interest in school, struggling with school work, dealing with a bully or facing some other potentially serious difficulty.
- By 6th grade, absenteeism is one of three signs that a student may drop out of high school.
- By 9th grade, regular and high attendance is a better predictor of graduation rates than 8th grade test scores.
- Missing 10 percent, or about 18 days, of the school year can drastically affect a student's academic success.
- Students can be chronically absent even if they only miss a day or two every few weeks. Attendance is an important life skill that will help your child graduate from college and keep a job.

Excused Absences

The Education Code lists the following as the only legal excuses for absences from school:

- **Personal Illness:** The school may require certification from a doctor if it is deemed advisable. (After 3 or more consecutive days of absence due to illness, a note from a doctor is required and/or prior to 84 period absences.)
- **Quarantine in the Home:** An absence arising from this condition is limited to the length of quarantine as fixed by county or city health officers.
- **Death of a Relative:** For the purpose of attending the funeral services of a member of the immediate family (mom, dad, grandma, grandpa, brother, sister). One (1) day for in state, and three (3) days for out of state.
- **Religious Reasons:** (3 days allowed per semester)
- **Counseling Appointment:** Any student absence due to a counseling appointment must be cleared with written proof of the appointment from the counselor's office.
- **Medical Appointment:** Services rendered include medical, dental, optometry or chiropractic. Any student absence due to a doctor or dental appointment must be cleared with written proof of the appointment from the doctor or dental office.
- **School Activity:** This includes field trips, or other school sponsored activities.
- **Probation Appointment:** Must be verified by a note from the probation officer.
- **Court Appearance:** Copy of court document required to be considered excused.

A pupil absent from school under this section shall be allowed to complete all assignments and tests missed during the absence that can be reasonably provided and, upon satisfactory completion within a reasonable period of time, shall be given full credit therefore. The teacher of the class from which a pupil is absent shall determine which tests and assignments shall be reasonably equivalent to, but not necessarily identical to, the tests and assignments that the pupil missed during the absence. A student shall not have his/her grade reduced or lose academic credit for any excused absence if missed assignments and tests that can reasonably be provided are satisfactorily completed within a reasonable period of time. (CA Ed. Code 48205)

Procedures for Notifying School of Absences

Parents/guardians must clear all absences in advance of the absence or upon return to school by calling the attendance office at (916)567-5680, or by writing a note including the following information:

- Student's full legal name (please print name clearly)
- The day(s) and date(s) of absence(s)
- Reason for the absence
- Parents/Guardian name and the relationship to the student
- Home and work phone numbers

Chronic Absence and Truancy - AR 5113.1

Chronic absentee means a student who is absent for any reason on 10 percent or more of the school days in the school year, when the total number of days the student is absent is divided by the total number of days the student is enrolled and school was actually taught in the regular schools of the district, exclusive of Saturdays and Sundays. (Education Code 60901)

Truant means a student who is absent from school without a valid excuse three full days in one school year, or tardy or absent for more than any 30-minute period during the school day without a valid excuse on three occasions in one school year, or any combination thereof. (Education Code 48260)

Parents of chronically truant students are asked to attend a Truancy Prevention Program meeting to address truancy. If truancy continues, students can be referred to the Student Attendance Review Board. Parents of chronically truant students can have serious sanctions including the withholding of public assistance, \$2,500 fines, and/ or one year of incarceration. Parents will receive notice when their child is identified as truant by mail after the student meets the threshold for truancy.

School Attendance Review Board (SARB) - BP 5113.12

The Governing Board recognizes that poor school attendance and behavior problems negatively impact student achievement and put students at greater risk of dropping out of school. The Superintendent or designee shall establish a comprehensive and integrated system for the early identification of attendance problems and shall implement strategies to encourage students' attendance. After other interventions have been exhausted, students with a pattern of unexcused absences may be referred to a school attendance review board (SARB), in accordance with applicable law, in order to receive intensive guidance and assistance.

School Attendance Review Board (SARB) reviews student attendance and disruptive behavior at the district level. Students may be referred to SARB for habitual truancy and/or irregular attendance:

- SARB may involve the district attorney or the county probation department in a student's case.
- SARB may transfer the student to another school or to an alternate education program

Early Dismissal

Attending school is vital to student success. Please ensure that appointments are made outside of school hours whenever possible. Early dismissal during tests or final exams can negatively impact a student's grade. Please be aware of when testing is happening and make every effort to ensure that students are present to take their assessments.

If a student needs to be picked up early, please follow these procedures:

- Only listed parents or guardians are allowed to pick up students, UNLESS a parent/guardian has notified the school of other arrangements. Emergency contacts ARE NOT allowed to pick up students without notification from a listed parent/guardian.
- **Appointments:** To leave the school during class time or between classes, a student should bring a note from the parent/guardian, prior to the beginning of the school day, stating the reason for leaving and the time to be dismissed from school and the school staff must be able to reach the parent/guardian by phone in order to secure permission to leave school.
- **Unscheduled Early Dismissals:**
 - A parent/guardian listed on the student's emergency card, must be present to sign out a student from the front office.
 - Inform the front desk that you are picking up a student for early dismissal
 - Have a valid I.D. ready for verification

- The front desk will contact the classroom and the teacher will send the student up to the office
- Complete the “Sign Out” sheet with parent information, student name, and check out time
- **Illness at School:** Check out with the Health Office; the school will call home to obtain permission for the student to leave. The student will remain at school until a parent/guardian is contacted to take responsibility for the student. Students are not to call a parent to alert them of an illness before meeting with the Health Clerk. Please obtain a pass from your teacher to make this call from the Health Office. Students who leave campus without obtaining clearance as described above will receive a “cut” for each period missed.

Please help school staff keep all students safe and accounted for by following the check-out procedure. Students should not be called out of class by an adult via student cell phone. Students should always exit campus through the front office instead of through a gate to meet a parent. Students who exit campus without being properly checked out will receive a “cut” (unexcused absence) for each period missed.

Early Dismissals over the phone: Parent/Guardian must come into the Office and show valid ID to sign a student out of school. To ensure student safety, parents cannot call from the parking lot or from around the corner to dismiss their student and have them meet them outside. Students will not be dismissed to any parent/guardian without valid ID or not listed on our contact information for that student unless approved by Administration.

Early Dismissals during PE: Pulling a student from PE can take about 20 to 30 minutes. If a student needs to be checked out of school during their PE class they should come to the Front Office before going to PE and wait in the office for their parents to come in and check them out.

Late Policy: Late Arrival to School or Class

As a school we want students to know and learn the value of being on time, the decency of it, and the expectation of being ready to engage, and of honoring the professional relationship between teacher and student. It is critical that students practice and learn the habits and life lessons of punctuality and commitment because they are essential as students move onto college, a career, and life as a part of a larger community. As a school dedicated to educating young people, students deserve a clear, consistent practice.

Students who are less than 15 minutes late to class will be marked tardy. Students who are more than 30 minutes late to class will be marked truant. The following is Paso Verde School Late Policy:

- Students are to be in class at 8:00 a.m, for MYP and 8:15 a.m, for PYP. Anyone arriving after 8:00 a.m. is considered tardy. The student needs to bring a note from the parent/guardian stating the reason for the tardiness. All students arriving after 8:00 a.m. must report to the front office for an admission pass. In severe cases, tardiness may be regarded as **truancy** and could result in more severe corrective measures. Students may be assigned detention, loss of recess, or other consequences after three unexcused absences.

Students who are less than 15 minutes late to class will be marked tardy. Students who are more than 30 minutes late to class will be marked truant. The following is Paso Verde School Late Policy:

- Students are marked Tardy if they arrive at school after 8:15 for PYP and 8:00 for MYP, or after any period has started in MYP. If middle school students accumulate 5 or more tardies, they will be assigned “Reflection Friday” after school on the next Friday in order to meet with a teacher and/or write a reflection on why they are not getting to class on time, the effects of their lateness on their own learning, and how they can improve. Being tardy can be very stressful for young children, and students often have a difficult time transitioning to school when they arrive late. Excessive tardies may result in a parent problem-solving conference, and tardies more than 30 minutes are considered a truancy.

Instructional Time

During the school day students are expected to be in their assigned classrooms on time and remain for the entire instructional class. If a student must leave class, the teacher or staff member in charge of supervision must be notified and then issue that student a pass to the student’s destination (bathroom, office, library, etc.)

Independent Studies - Board Policy 6158

The Governing Board authorizes Independent Study as an optional alternative instructional strategy for eligible students, whose needs may be best met through study outside of the regular classroom setting. Independent Study shall offer a means of individualizing the educational plan to serve students who desire a more challenging educational experience, whose health or other personal circumstances make classroom attendance difficult, who are unable to access course(s) due to scheduling problems, and/or who need to make up credits or fill gaps in their learning. As necessary to meet student needs, independent study may be offered on a full-time basis or on a part-time basis in conjunction with part- or full-time classroom study. The minimum period of time for any independent study option shall be three consecutive school days.

For the 2023-24 school year and thereafter, the Superintendent or designee may continue to offer and approve independent study for an individual student upon determining that the student is prepared to meet the district's requirements for independent study and is likely to succeed in independent study as well as or better than the student would in the regular classroom setting.

Because excessive leniency in the duration of independent study assignments may result in a student falling behind peers and increase the risk of dropping out of school, independent study assignments shall be completed no more than two weeks after assigned for all grade levels and

types of program. However, when necessary based on the specific circumstances of the student's approved program, the Superintendent or designee may allow for a longer period of time between the date an assignment is made and when it is due, up to the termination date of the agreement. An evaluation shall be conducted to determine whether it is in a student's best interest to remain in independent study whenever the student fails to make satisfactory educational progress and/or misses three assignments. Satisfactory educational progress shall be determined based on all of the following indicators: (Education Code 51747).

1. The student's achievement and engagement in the independent study program, as indicated by the student's performance on applicable student-level measures of student achievement and engagement specified in Education Code 52060
2. The completion of assignments, assessments, or other indicators that evidence that the student is working on assignments
3. Learning required concepts, as determined by the supervising teacher
4. Progress towards successful completion of the course of study or individual course, as determined by the supervising teacher

A Parent or Guardian may request short term Independent Study if a student is going to be out of school due to an emergency, vacation, or illness, or family obligation. When requested by a parent/guardian, independent study may be used on a short-term basis to ensure that the student is able to maintain academic progress in his/her regular classes. When possible, parents should give the school 2 weeks notice prior to student absence, so that work may be gathered and the Independent Study Contract may be completed. In an emergency situation, parents need to notify the school prior to the absence, that they are requesting Independent Study for their student.

Students or Families are asked to meet with school site administration to discuss the options, commitments, and process for enrolling students in Independent studies (short term or permanent).

How to sign-up for Short term Independent Studies

- Call or email the office and make an appointment to fill out all forms 2 WEEKS prior to the student being away from school.
- Come to the school office and begin filling out the Independent Study Agreement Form.
- Meet with an administrator to review all forms and timelines.
- Provide teachers with assignment forms 1 week in advance.
- Return assignment forms to the attendance office. Attendance will make copies of assignment forms for the student to work on.
- Upon return, the student will have 10 school days to complete the assignments for each class.
- Teachers will grade assignments and return graded forms to the attendance office to reconcile attendance records.
- Teacher will input all graded work into Infinite Campus

Health and Wellness

To make sure your child is ready for school, California law, Education Code Section 49452.8, now requires that your child have an oral health assessment (dental checkup) by May 31 in either

kindergarten or first grade, whichever is his or her first year in public school. Assessments that have happened within the 12 months before your child enters school also meet this requirement. The law specifies that the assessment must be done by a licensed dentist or other registered dental health professional.

Health Services and Office Procedures

School districts are required to provide health services to students in regular education, special education and on a Section 504 plan. In addition, districts are required to conduct mandated screenings and take action when contagious diseases are identified. Natomas goes the extra mile- we provide regular childhood immunizations, conduct health fairs, and provide staff and parent training. Please refer to the NUSD Student Services and Support website for additional information and resources (<https://natomasunified.org/departments/student-services-and-support/>).

The Paso Verde Health Assistant is available to help in meeting student health needs throughout the day. The school Nurse conducts hearing screenings for students in Grades 1, 2, and 5. Vision Screening for students in Grades K and 3.

ILLNESS

- A child **should not** be sent to school if his/her illness would be detrimental to his/her classmates' best interest. If the child shows any signs of fever, upset stomach, rashes, etc., please keep the child at home. Contact the school at 916-567-5507 to report the absence.
- Please notify the school immediately in case of contagious diseases including but not limited to measles, mumps, chicken pox, impetigo, or an infestation of head lice so the school may notify the parents of children who have been exposed. Any students having had

a communicable disease may be readmitted only by the school nurse or other designated school personnel.

- Injuries that occur elsewhere are not taken care of at school. Such treatment is not a function of the school. If a child becomes ill or injured at school, we will give First Aid and notify the parent immediately and/or call 911 if medically necessary.

- Please do not send medication to school with your child. If it is absolutely necessary that your child take medication, we must adhere to the following procedure as outlined in the California State Education Code Section 11753.1.

Medications

The law requires all parents/guardians to inform the school if their child is taking medication. Any medication to be taken while at school will be kept and dispensed through the nurse's office. A **"Medication**

No medication of any kind, whether prescription or over-the-counter, is allowed to be brought by a child without written authorization. Pain relievers and all other over-the-counter medications will not be dispensed to students. The school is only equipped to treat minor injuries with ice and adhesive bandages. Parents/guardians will be called for more serious injuries. If parents cannot be contacted, the emergency contacts listed in Infinite Campus will be contacted.

Students are not allowed to possess any type of medication at school. Education Code 49423 states, "Notwithstanding the provisions of 49422, any pupil who is required to take, during the regular school day, medication prescribed for him/her by a physician may be assisted by a school nurse or other designated school personnel if the school district receives the following:

1. A written statement from physician detailing the method, amount, and time schedule by which medication is to be taken
2. A written statement from the parent/guardian of the pupil indicating the desire that the school district assist the pupil in the manner set forth in the physician's statement"

All medications are kept in a secure area in the health office and dispensed per the physician's instructions.

If a child is to temporarily take a non-prescription medication, such as an over-the-counter pain reliever or cough drops, the medication must be kept in the office in its original container. The parent/guardian must provide a note to the health and/or front office stating the time and dates the medication is to be given. The medications are kept in a secure area in the health office and dispensed per the parent's instructions.

Home and Hospital - BP 6183

When seeking instruction for a student at home or in a hospital located within the district, the parent/guardian shall present this request at the home school, together with a physician's written description of the disabling condition. The physician shall have determined that the student is unable to attend school and will not expose the home teacher to any contagious disease that can be transmitted by casual contact.

Immunizations - BP 5141.3

To protect the health of all students and staff and to curtail the spread of infectious diseases, the Board of Trustees shall cooperate with state and local public health agencies to encourage and facilitate immunization of all district students against preventable diseases. Each student enrolling for the first time in a district elementary or secondary school, preschool, or child care and development program or, after July 1, 2016, enrolling in or advancing to grade 7 shall present an immunization record from any authorized private or public health care provider certifying that he/she has received all required immunizations in accordance with law. Family Involvement on Campus

Visitor/Volunteers - BP/AR 1250

The Governing Board believes that it is important for parents/guardians and community members to take an active interest in the issues affecting district schools and students. Therefore, the Board encourages interested parents/guardians and community members to visit the schools and participate in the educational program.

To ensure the safety of students and staff and minimize interruption of the instructional program, the Superintendent or designee shall establish procedures which facilitate visits during regular school days. Visits during school hours should be arranged with the principal or designee 24 hours in advance. When a visit involves a conference with a teacher or the principal, an appointment should be scheduled during non-instructional time.

Any person who is not a student or staff member shall register immediately upon entering any school building or grounds when school is in session.

The principal or designee may provide a visible means of identification for all individuals who are not students or staff members while on school premises.

No electronic listening or recording device may be used by any person in a classroom without the teacher's and principal's permission. (Education Code 51512)

Volunteers are welcomed in our District and are valuable members of our learning community. A volunteer is defined as a non-paid individual who, with school District Authorization, assists students, schools, or educational programs. This individual may not always be under the direct supervision of District staff. The service can be on short-term, project specific or on-going basis. A volunteer is required to complete a Volunteer Application, Code of Conduct, take a tuberculosis (TB) test, and have a fingerprint/background check completed prior to rendering service. For complete information regarding becoming a Natomas Unified School District volunteer and to complete an application, please visit the district website Parents Resource <https://natomasunified.org/family/>

The Board encourages all individuals to assist in maintaining a safe and secure school environment by behaving in an orderly manner while on school grounds and by utilizing the district's complaint processes if they have concerns with any district program or employee. In accordance with Penal Code 626.7, the principal or designee may request that any individual who is causing a disruption, including exhibiting volatile, hostile, aggressive, or offensive behavior, immediately leave school grounds.

Civility Policy - BP 1313

Natomas Unified School District is committed to ensuring a safe, orderly, and respectful environment at all District facilities and during all District events and meetings. This policy is intended to promote a positive environment where behavior and communication is based on mutual respect, civility, and orderly conduct among District employees, parents, and the public. This policy is not intended to deprive any person of their constitutionally protected freedoms. It is intended to ensure an orderly, civil, and harassment free place for students, employees, parents, and the public to participate in the District's programs and activities. The District encourages students, employees, parents, and the public to communicate in a positive, calm, respectful and productive manner and to avoid hostile, aggressive, and confrontational behavior. If a student, employee, parent, or member of the public believes that another person is violating this policy, they should report this concern to the school site principal or designee and if that does not resolve the issue then to the superintendent or the superintendent's designee.

Classroom Visitation

A parent or guardian has the right to observe instruction and other school activities that involve his or her child in accordance with procedures determined by the governing board of the school district to ensure the safety of pupils and school personnel and to prevent undue interference with instruction or harassment of school personnel. Reasonable accommodation of parents and guardians shall be considered by the governing board of the school district. Upon written request by the parent or guardian, school officials shall arrange for the parental observation of the requested class or classes or activities by that parent or guardian in a reasonable timeframe and in accordance

with procedures determined by the governing board of the school district. [E.C. 49091.10(b)] In lieu of a written request by the parent or guardian, the principal, upon his or her discretion, may grant a classroom visit with a verbal request.

Use of E-Visitor

Parent/Guardians who are interested in visiting the classrooms must first report to the front office to obtain an E-visitors badge. At this time, you will be asked to present an ID and to sign in on the visitors sign in sheet. Our staff member will then take a picture of you and print a badge. Once you are done with the visit, parents/guardians are to come back to the office and sign out. The purpose of this badge is to make visitors to school sites and District offices easily identifiable, which will increase safety for all.

Pathway to Successful Communication

- Address the matter with the site staff member directly (teacher, coach, etc.) by scheduling an appointment 24 hours in advance
- If unresolved, please contact the school administrator(s)
- If unresolved, contact Constituent and Customer Services for informal resolution at (916) 561-5253
- If unresolved, a formal complaint form is available through Constituent and Customer Services

Contacting Principal or Assistant Principal: If you would like to meet with school administration, please contact Kerry House in the front office, and she will assist you in scheduling a meeting or a phone call with either the school principal or assistant principal. Please be advised that the principal spends most of the school day in classrooms and with students; emails and phone messages will be responded to within 24 hours. Your child's educational experience is our highest priority, and we highly value our partnership with families. For this reason, any concerns should first be addressed with a staff member directly (teacher, coach, etc), then with the school principal, and then CCS. If still unresolved, CCS will contact the Supervisor of Schools or appropriate department.

Opportunities for Involvement

In addition, this group reviews student attendance and achievement data to determine if we are successfully implementing these plans, which is called our Single Plan for Student Achievement (SPSA). School Site Council members are elected by other parents using a ballot system, and the committee consists of 5 parents and 5 school staff members, including the principal.
- **English Learner Advisory Committee (ELAC):** Our ELAC team offers advice and recommendations to the principal, staff, and SSC regarding our instruction and services provided to our students who are English Learners (ELs).

STAY CONNECTED

A positive working relationship between parents, teachers, and staff is critical for student success. To that end, we ask that parents, teachers, and staff seek to establish positive relationships as we work together to care for our students and ensure their success. A weekly newsletter from the principal is sent out each Friday called ***The Puma Weekly***, followed by a weekly email on Parent Square. Parents are highly encouraged to register for Parent Square to stay informed and to join our Paso **Facebook** page for regular school updates and visit our school website at www.natomasunified.org/pvs/ for important information and links to our teacher websites

PARENT SQUARE

NUSD is launching the use of Parent Square at all schools district-wide as our primary communication tool to share information with families. This change is a result of feedback from NUSD families who requested that we streamline the way we communicate. All information from our school, as well as the district office, will be provided using ParentSquare. We encourage all families to download the app in the Apple or Google Play store as soon as possible to be able to access all the features and benefits. One feature that we are extremely excited about is access to 125+ languages. Families can choose the language of their preference to receive and send messages with school and district staff. Please visit the NUSD [website](#) that has a page dedicated to all things ParentSquare including how to access it, training, how-to-guides, frequently asked questions, multiple videos, handouts, printed documents, and more. Please be sure to sign up! **While ParentSquare will be used for communications, student's class assignments/schedules, grades and attendance information will continue to be shared via Infinite Campus so we encourage parents to keep the IC Portal and maintain access to both Infinite Campus and Parent Square.**

INFINITE CAMPUS PARENT PORTAL

With the Infinite Campus Parent Portal, parents/guardians have real-time access to attendance, grades and other information about each of your children in one easy location, from a smartphone or computer. You can also subscribe to alerts sent by Paso Verde School or NUSD. If you do not have your Infinite Campus Parent Portal log-in, please contact Elizabeth Hastings in our front office for assistance at (916) 567-5810.

PARENT TEACHER CONFERENCES

As an International Baccalaureate World School, we value the opportunity for scholars to reflect on their own progress over time. To this end, our conferences are conducted as scholar led conferences, which are held right before Thanksgiving Break. This conference is an opportunity for scholars to reflect on their progress and discuss their goals with their family and teachers. If parents wish to

have an individual conference regarding your scholar; please contact your scholar's teacher for an individual appointment.

Student Academic Monitoring

School Site Grading Periods

Paso Verde School has three formal reporting periods. Student-led conferences are held for every student in the first reporting period. During the conferences, your scholar will demonstrate and share their work. Afterwards, the teacher will be available for any questions or additional progress toward each area assessed. PYP Report cards reflect progress toward completion of the California standards for each major academic area. MYP report cards follow a traditional letter-grading system, which calculates a G.P.A. (Grade Point Average) for each Trimester. Students receive one cumulative average grade for each of their 8 classes.

PYP STANDARDS BASED GRADING

Our curriculum standards establish what it is that students are expected to know and be able to do. Our PYP elementary report cards are Standards Based, which means grades communicate how students perform on clearly defined learning targets. The purpose of standards-based grading is to identify what a student knows, understands, and is able to do in relation to those learning targets- as opposed to simply averaging grades/scores over the course of the grading period. TK-6 teachers grade based on what each student has learned and how that student meets the standards, which is then communicated with an overall score of 4 (Exceeds Standard), 3 (Meets Standard), 2 (Nearly Meeting Standard), or 1 (Not Meeting Standard). In no way does a 4,3,2,1 relate to A,B,C,D letter grades. Standards based grading does not average, but rather assesses a student's overall body of work- especially the most recent evidence. The grade should reflect what the student has learned. The goal is for all students to be meeting or exceeding standards by the end of the school year.

MYP TRADITIONAL REPORT CARD

Our MYP report card follows a traditional letter-grading system, which calculates a G.P.A. (Grade Point Average) for each Trimester. Students receive one cumulative average grade for each of their 8 classes.

Monitoring Student Progress

Students and parents can check academic progress at any time through Infinite Campus. The Infinite Campus Portal is a great resource for parents/guardians and students to monitor grades, attendance and progress toward graduation. Every parent and guardian can have a Infinite Campus Parent Portal account which will give you access to the Student Information System for all of your students in your household. With the Infinite Campus Parent Portal you can:

- Monitor Attendance
- View Grades
- View upcoming assignments
- Receive important information from your student's school

To access Infinite Campus Portal from your computer or mobile device go to the NUSD Website at <https://natomasunified.org/icportal-2/> to learn how to:

- Sign Into the Infinite Campus Portal

- Download the Mobile App
- Change Contact members and preferences

Student Deliveries

Due to the importance of instructional time, student deliveries will not be made during the school day. Deliveries of birthday or other celebration items (like balloons, flowers, etc.) will not be delivered. If a student is found to have these items and is a distraction to the learning environment, the items may be confiscated by school personnel and held until the end of the school day

Before and After-School Care

There is no supervision provided before 8:00 am and after 2:45 p.m. The exceptions are if your scholar is a scholar athlete, enrolled in an afterschool enrichment program, extended day or attends before or after school child care. If so, those times will be provided by the facilitator.

After School Programs

PVS offers after school enrichment courses and after school care provided by 3rd party programs. Please contact the programs, listed below, directly for information.

Section 2: Site Specific Programs and Information

International Baccalaureate (PYP and MYP)

Paso Verde is an IB World School, which encourages students to think critically and consider multiple perspectives, promotes language development and multilingual students, and uses best practices from data-based research to support teaching and student learning.

Common Core State Standards

These standards are called the Common Core State Standards (CCSS). Educational standards describe what students should know and be able to do in each subject in each grade. NUSD report cards are developed based on the CCSS.

Grade Level Wonders

Wonders by McGraw-Hill is the district adopted Language Arts curriculum for grades K-5th. This expansive curriculum offers instruction in phonics, reading comprehension, grammar, writing, speaking and listening, and vocabulary. Wonders assessments are used school-wide for placement, formative progress, and summative data.

StudySync ELA

StudySync is the district adopted Language Arts curriculum for grade 6th through 8th. It offers in teacher instruction coupled with online instruction in the areas of reading comprehension, grammar, writing, speaking and listening, and vocabulary. StudySync assessments are used for placement, formative progress, and summative data.

Writing Instruction

PVS scholars learn to write and progress in writing using exemplars and real world examples such as picture books and news articles. Supplemental materials are used to develop writing units that reflect IB central ideas and conceptual learning. Standard district-wide assessments are given each trimester for summative data in writing.

GoMath/SVMI

GoMath is the district adopted mathematics curriculum for K-8th. This math program is supplemented with SVMI, Silicon Valley Math Initiative. Teachers collaborate with SVMI trainers in order to provide real world, hands-on activities that provide scholars with an opportunity to develop problem solving skills while developing an ability to communicate mathematical reasoning.

Restorative Practices

Restorative practices promote inclusiveness, relationship-building and problem-solving, through such restorative methods as circles for teaching and conflict resolution to conferences that bring victims, offenders and their supporters together to address wrongdoing. Instead of punishment, scholars are encouraged to reflect on and take responsibility for their actions and come up with plans to repair harm.

Feedback

Feedback is the process of giving suggestions and acknowledgements on completed work in comparison to a previously determined rubric. Feedback is done in all academic and social areas.

- Teacher to Scholar
- Scholar to Teacher
- Scholar to Scholar
- Teacher to Teacher
- Administration to Teacher
- Teacher to Administration

Online Supplemental Materials

PVS uses many online resources to supplement all academic and learning experiences. Each of these are used by appropriate grade levels to access and target instruction in order to provide the best possible environment for student growth and progress.

- Amira (Phonic and Reading Comprehension)
- IXL (Math and ELA)
-

Differentiated Teaching

- WINquiry - Differentiated groups that are designed to allow for designated support for English Language Learners. These groups are designed to also meet the needs of the English Only scholars by providing leveled, targeted instruction. Scholars are exchanged across grade levels in order to meet the largest amount of needs.
- Grade level flexible groupings - Each grade level determines needs and develops groups to meet scholar's needs and target instruction accordingly. Scholars are exchanged fluidly through groups as their needs change.

Inquiry Based Homework

PVS uses inquiry based homework in order to develop important IB skills and conceptual learning. These homework projects are based on the Approaches to Learning, ATLs that have been adopted at each grade level. These skills include research, writing, asking inquiry questions, and presentation.

Student Council

PVS offers a Student Council Leadership Program to scholars in grades 6-8. This program is designed to help scholars develop leadership skills, independent work skills, increase student involvement, plan and implement school-wide activities to build school culture and community engagement with families.

Sport Programs

District athletics are offered at no cost to all scholars in grades 4th-8th. Permission slips and an athletic packet need to be turned in yearly in order to participate.

- Soccer
- Volleyball
- Flag Football
- Basketball
- Track

Healthy Kids Act

The Nutrition Services department is made up of a team of food and nutrition professionals that are dedicated to students' health, well being and their ability to learn. We support learning by promoting healthy habits for lifelong nutrition and fitness practices. Food and beverages sold or served at school meet the nutrition recommendations of the [U.S.D.A. Dietary Guidelines](#). We provide students with access to a variety of affordable and appealing foods that meet the health and nutrition needs of students.

Section 3: Student Expectations and Supports

Academic Integrity - BP 5131.9

The Governing Board believes that personal integrity is basic to all solid achievement. Students will reach their full potential only by being honest with themselves and with others. NUSD expects students to respect the educational purpose underlying all school activities. All students need to prove to themselves that they can do successful work as a result of their own efforts. NUSD expects that students will not cheat, lie, or plagiarize. Each school shall provide an environment that encourages honesty. Students must know that their teachers will not ignore or condone cheating and that anyone discovered cheating will be penalized.

Academic Work

Absences and Late Work

According to Board Policy 5121(a), whenever a student misses an assignment due to either an excused or unexcused absence, he/she shall be given full credit for subsequent satisfactory completion of the assignment or assessment.

If a scholar misses class without an excuse and does not subsequently turn in homework, take a test or fulfill another class requirement which he/she missed, the teacher may lower the students grade for nonperformance.

Academic Honesty Policy

Philosophy

Paso Verde places great value on personal integrity and academic honesty and PVS scholars will approach learning with honesty and integrity. We firmly believe that academic dishonesty (of all kinds) denies the value of education, damages the ethical character of the individual student, and undermines the integrity of our school. Our philosophy is guided by three of the learner profile attributes:

- **Principled:** We act with integrity and honesty, with a strong sense of fairness and justice, and with respect for the dignity and rights of people everywhere. We take responsibility for our actions and their consequences.
- **Reflective:** We thoughtfully consider the world and our own ideas and experience. We work to understand our strengths and weaknesses in order to support our learning and personal development.
- **Inquirer:** Acquire the skills necessary to conduct inquiry and research.

Principles of Academic Honesty

Students at PVS will:

- take responsibility for their learning and completion of work
- prepare for and complete assignments in a fair and ethical manner
- understand how to avoid plagiarism and actively ask questions about plagiarism when unsure
- report violations of academic honesty to staff members in a timely manner

Definition of Academic Dishonesty

Academic dishonesty is using a person's work, concepts, designs, ideas, research, or documentation, without giving proper or clear credit to the source. Academic dishonesty includes: lying, cheating, copying assignments, using or providing unauthorized materials in preparation for an assessment, or using or providing unauthorized materials during an assessment, and other acts. It also includes any attempt (even if unsuccessful) to be academically dishonest.

Teacher's Professional Judgment

A teacher's professional judgment guides the implementation of this Academic Honesty Policy. The teacher is responsible for setting the academic expectations, explaining the consequences of the Policy, evaluating any evidence of scholar misconduct in the light of the Policy, and determining whether the Policy has been violated.

Shared Responsibility for Academic Integrity

Administrators, teachers, parents/guardians and students must understand, accept and share responsibilities for this policy to be effective.

The scholar will:

- set aside sufficient time to study
- regularly attend and participate actively in class
- protect work (do not lend or borrow work)
- not look at another's test or allow his or her test to be seen

- not represent as his or her own the work of a friend, parent, brother, sister, or anyone else
- not change a test item in any way when the test is returned for review
- not allow one member of a team to do an unequal amount of work
- learn how to paraphrase and summarize properly
- learn how to cite sources appropriately
- review the policy and take the policy home for their parents to do the same

Parental Responsibilities

The parent/guardian will:

- communicate to the scholar values of moral and ethical behavior
- refrain from placing undue pressure for high grades at any cost
- be aware of a scholar's need for a quiet time and place to study

- support teachers in upholding the policy
- record incidents or follow-up actions needed in cases of academic dishonesty

Assessment Policy

Philosophy

Assessment is an essential tool in the planning, teaching, and learning cycle. It is an ongoing process that informs teachers, scholars, and parents of scholars' academic knowledge and understanding of the essential elements of the Primary Years Programme. Assessment guides and improves our instruction, so it must be frequent, varied, and ongoing. Data is continuously gathered and analyzed to drive the instruction based on the needs of our scholars. Self-reflection allows scholars and teachers to reflect upon learning and the learning process. All stakeholders are provided with meaningful feedback from assessments.

This policy was created in collaboration with the educational community to comply with the International Baccalaureate assessment policy and is shared with our learning community through our school handbook and website.. This policy will be reviewed annually. The learning and teaching community have a shared agency within assessment (responsibility of assessment). Students and teachers use feedback to clarify and support stated outcomes in accordance with IB Philosophy.

Language Policy

Philosophy

At Paso Verde School, we believe that language is an essential component to learning. listening, speaking, reading, and writing permeates our entire curriculum. Our students use language daily to communicate, inquire, explore new perspectives, acquire knowledge, and reflect on their learning. Exposure to a variety of texts and ideas enhances students' understanding of the world around them and enables them to become lifelong learners.

A strong foundation in language is crucial to the social and emotional development of our students. Through language, students are able to show empathy, compassion, and caring for one another.

Language is the connecting factor that links all of our students from a variety of cultural backgrounds. Students' international mindedness and cultural awareness increase from the exposure to different languages, cultures, and perspectives.

The teaching of language is the responsibility of all teachers. The staff and administration of PVS have committed to creating a positive learning environment in which students feel safe to be risk takers in their language development.

School Profile

Natomas Unified School District is located in a culturally diverse community in Sacramento, California. The New York Times compiled 2006 enrollment data from the US Department of Education and named Natomas Unified as the second most diverse district in the nation. We have twenty-six languages spoken by students at our school and in the surrounding community. Fifty-six percent of our students are considered socio-economically disadvantaged.

Language of Instruction

English is the language of Instruction at PVS. Reading, writing, and oral language are a main focus of each day. Teachers incorporate these skills into each unit of inquiry.

English Language Arts Instruction focuses on:

- Reading Literature and Informational Text – Key ideas and detail, craft and structure, integration of knowledge and ideas, and text complexity.
- Writing- Types of writing and purpose, production and distribution of writing, and research.
- Speaking and Listening – Presentation of knowledge and ideas, comprehension, and collaboration.

- Media Literacy – Analyze and comprehend media.

English Language Development

Students who have identified themselves as English as a Second Language receive 30 minutes of English Language Development (ELD) each day in accordance with California Education Code. English Language Development is provided within the regular PYP classroom during “What I Need” time (WIN).

English Language Development instruction focuses on:

- Listening and Speaking Strategies
- Reading – Word Analysis, Fluency, Vocabulary Development, Comprehension, and Literary Response / Analysis.
- Writing – Conventions, strategies, and applications.

Each year, all ELD students in the state of California take the English Language Proficiency Assessments for California (ELPAC). This test identifies students as beginning, early intermediate, intermediate, early advanced, or advanced in English Development. Once students reach Advanced on the ELPAC test and are recommended by their teacher, students will be reclassified so that they no longer receive ELD.

World Language Instruction

Spanish will be the world language taught at PVS. Students receive thirty minutes of instruction each week. Spanish is taught to students in transitional kindergarten through sixth grade. The goal is to integrate world language instruction into grade level Programmes of Inquiry. Our students’ acquisition of Spanish is enriched by exposing them to the cultures of various Spanish-speaking countries in the world including México, Colombia, Guatemala, Chile, España, and the United States. This will be accomplished by sharing folklore, legends, historical figures, celebrations, music and history.

Home Language Support

We understand and value the experiences and knowledge that our students bring to our learning community and strive to foster opportunities to allow them to engage in their native language. Below are a list of strategies we will embed in our instruction and pedagogical framework to support and honor the home languages of our scholars.

- Using home language as a cue
- Opportunity to present in their home language

In the case of a scholar with an Individual Educational Plan (IEP) or 504, the scholar shall be entitled to all accommodations during instruction and assessment to which she/he is legally entitled.

Extended Absences

If a scholar has a temporary special need due to illness, injury, etc., it is the responsibility of the scholar and parent to inform the school administration in a timely manner. Supporting documentation may be required, and accommodations will be made as needed in accordance with the school and its policies. Teachers will provide the appropriate accommodations in accordance with the scholar's contract.

Social Inclusion

Teachers will be vigilant to ensure that the school environment is a safe place socially for all scholars regardless of family background, race, gender/sexual orientation, mental status, religious beliefs, or any other type of lifestyle. Teachers and staff will take actions to create a safe, inclusive environment for all scholars by modeling supportive behavior, stopping ostracism in its tracks, and working with the administrative team to deal with issues of prejudice and discrimination.

Professional Development

With the core belief that PYP is a holistic program designed to meet the needs of all learners, teachers will receive professional development and resources to appropriately meet the needs of all learners in their classrooms

ACADEMIC SUPPORT

We believe all students should have access to a quality education that supports them, celebrates and embraces diversity, and serves each student equitably. We incorporate differentiated instruction, environmentally sound practices, a technologically rich, standards-based curriculum, and innovative lesson plans that actively engage our students by recognizing a variety of learning styles. Our parents, staff, and community members collaborate to advance these goals

ENGLISH LEARNER SUPPORT

When a scholar registers at PVS and indicates there is another language spoken at home besides English, the child is tested for English proficiency. The results are shared with the parents and a decision is made regarding placement in daily ELD (English Language Support). The scholar will be assessed each year using the ELPAC and will continue receiving ELD services until they are reclassified as English Language Proficient.

GIFTED AND TALENTED EDUCATION (G.A.T.E.)

The Natomas Unified School District provides a Gifted and Talented Education (G.A.T.E.) program for those students who qualify. SPECIAL EDUCATION

Special Education is provided for those students whose needs cannot be met in the regular education program and who have been found eligible for such services through the evaluation process. PVS has a Resource Specialist Program (RSP) and learning center where students are taught in a prescriptive manner addressing their particular areas of disability for up to forty-nine percent (the maximum allowed by law) of the school day. PVS also has self-contained Special Day Classes (SDC) for students requiring a specialized setting.

Problem-solving can include issues in academic, medical, emotional or social areas. **An SST meeting may be called by teachers and/or parents.**

Homework - BP 6154

The Governing Board recognizes that meaningful homework assignments can be a valuable extension of student learning time and assist students in developing good study habits. Homework shall be assigned when necessary to support classroom lessons, enable students to complete unfinished assignments, or review and apply academic content for better understanding. Homework assignments shall be reasonable in length and appropriate to the grade level and course. The Board expects that the number, frequency, and degree of difficulty of homework assignments will increase with the grade level and the maturity of students. Teachers shall assign homework only as necessary to fulfill academic goals and reinforce current instruction.

PVS uses inquiry based homework in order to develop important IB skills and conceptual learning. These homework projects are based on the Approaches to Learning, ATLs that have been adopted at each grade level. These skills include research, writing, asking inquiry questions, and presentation.

At the beginning of the school year, teachers shall communicate homework expectations to students and their parents/guardians. These communications shall include the manner in which homework relates to achievement of academic standards and course content, the impact of homework assignments on students' grades, any school resources and programs that are available to provide homework support, and ways in which parents/guardians may appropriately assist their children.

- In order to minimize distractions, foster student communication and collaboration, and protect students' privacy at school, we follow an "Away For the Day" cell phone policy at PVS. Cell phones, smart watches, or other communication and listening devices may not be used during the instructional school day, including during passing periods and lunch. If you feel your child must have a cell phone, it must remain in their backpack and TURNED OFF from the first bell in the morning until after the dismissal bell in the afternoon. Texting and filming are not permitted anytime during the school day, except for a valid instructional

purpose determined by a teacher. Any device with a camera, video, or voice recording function shall not be used in any manner which infringes on the privacy rights of any other person.

- Failure to follow these guidelines will result in confiscation of the phone and/or detention. The cell phone may be retrieved by the student at the end of the day on the first offense, and will only be returned to a parent or guardian for further offenses. Parents and guardians who need to communicate with their child during the school day should call the main office. It is not advisable to send your child to school with a costly cell phone, as the school is not responsible for lost, stolen, or damaged cell phones.

Dress Code

Board Policy 5132(a) : The Board of Trustees believes that appropriate dress and grooming contribute to a productive learning environment. The Board expects students to give proper attention to personal cleanliness and to wear clothes that are suitable for the school activities in which they participate. Students' clothing may not present a health or safety hazard or create a distraction which would interfere with the educational process. Students and parents/guardians shall be informed about dress and grooming standards at the beginning of the year and whenever these standards are revised.

PVS Dress Code and Policy

Puma Dress Code:

Research has found a high correlation between the way children dress and their behavior at school.

Standards of dress and grooming is primarily the responsibility of the parents, with the understanding that PVS Scholars will wear appropriate clothing and groom themselves in a manner which reflects good taste, does not violate the rules of decency, offend the standards of the other scholars or distract from the educational program. Clothes should be appropriate for all school activities. Parents are responsible for seeing that their child follows the dress code. Parents will be called to bring a change of clothes for students if there is a violation of the dress code.

POINTS TO REMEMBER:

- Shorts, dresses and skirts must be a modest length
- Clothing must cover all under clothes and fit appropriately.
- Halter tops, mesh or see-through sheer tops, bare midriff or bareback tops are not permitted.
- Clothing or items bearing profanity, advertising sex, drugs, alcohol, tobacco, gangs or violence are not allowed.
- Shoes must have a back strap.
- Jewelry is often snagged during play or lost altogether. Expensive and/or dangling jewelry is not appropriate.

In accordance with Natomas Unified School District Board Policy 5132 (a) we support the rationale that in order to promote student safety and discourage theft, peer rivalry and/or gang activity, the principal, staff, and parents/guardians at a school may establish a reasonable dress code.

Spirit Day Dress Code:

Show your school spirit by wearing any Paso Verde Puma wear or our school colors.
(Navy, Green, and Gold)

Field Trips

Parents are encouraged to help chaperone PVS School field trips. Please make arrangements with your child's teacher. For insurance reasons, **SIBLINGS ARE NOT ALLOWED** to go on field trips when parents are chaperoning. All chaperones must complete a Natomas Unified School District Volunteer form and must receive a fingerprint clearance and TB testing Certificate prior to the field trip.

FIELD TRIP PERMISSION SLIPS

Students are given Parent Permission Slips several days prior to a scheduled field trip. These slips must be signed and returned to the teacher in order for the student to go on the field trip. We cannot accept an alternate permission slip or permission by phone. Another teacher at school will supervise students who are unable to attend their class field trip for any reason. Students are expected to behave properly on all field trips. Students who do not behave properly will be sent back to school. The principal will review each case and will make a decision based on the merits of the case.

Lost and Found

It is recommended that name tags or inked names be placed in all coats, hats, sweaters, jackets, lunchpails and backpacks. Parents are encouraged to regularly go through the Lost and Found items located in the office and each classroom. Students should check for lost items before school, at lunchtime and after school. Students are not to search through the items during class time. Unclaimed books are returned to the Library. Lost and Found is given to a charity throughout the year. All families will be given at least a week's notice via multiple various forms of communication. (PVS Facebook, Puma Weekly, Parent Square)

Student Supports and Resources (Differentiated Layers of Support)

Multi-Tiered Student Support (MTSS)

A Multi-Tiered System of Supports (MTSS) is a systemic framework that effective schools use to ensure continuous improvement in academics and social-emotional supports for students. In this tiered system of Universal, Targeted, and Intensive Supports, our team meets once a month to engage in data-based problem solving and decision making in order to identify the best academic and social-emotional supports for students. Interventions may be provided by classroom teachers, education specialists, our school psychologist, or our school counselor.

School Safety Preparedness

The safety of our students is of critical importance at Paso Verde All faculty and staff are familiar with district "Emergency Preparedness Guidelines," which are posted in each classroom. In addition, our school site has safety procedures which are implemented as needed.

- EARTHQUAKE/ DUCK AND COVER DRILL: During an earthquake, severe wind storm, and other defined emergencies, children duck for cover under desks. If classroom evacuation is necessary, children leave for a fire drill.
- FIRE AND EVACUATION: Classes evacuate the school to a designated location on the school grounds and wait with their teacher for permission to return. A monthly fire drill is conducted in accordance with California State Law.
- INTRUDER: A school alarm and intercom announcement alerts staff than an intruder is on campus or nearby. Children remain in their classrooms, doors are locked and curtains are closed to provide further security. The principal and/or police determine when it is safe to resume normal operations.
- OTHER SCHOOL-WIDE EMERGENCIES: Comprehensive school plans exist to deal with a full spectrum of emergency conditions which may arise. In the case of a critical incident, a lock down will occur. Once the school site has been established to be safe, parents and students may then be reunited. The procedure for reunification will be:
 - Parents should come to the cafeteria and not their student's classroom. Students will not be checked out of their classrooms. If the students have been evacuated, parents would be directed to Egret Park (our designated evacuation site).
 - Parents will be asked to get in a line.
 - Parents will receive an emergency student release request.

- Parents must fill out the request.
- Staff will verify the person requesting to be reunited with a student. The person must be on the child's emergency information in Infinite Campus in order to check the student out.
- A photo ID will be required to pick up your child.
- The adult must sign and fill out the date and time of release of each student on the Reunion Check Out Log before the student is released.

NUSD Outdoor Environmental Guidelines provides direction to staff regarding the ozone pollution forecast and wildfire smoke advisories in the Sacramento region during the warmer months and fire season to ensure students and staff are being safe when partaking in outdoor activities, which may include changes to the school bell schedule and location of activities. Communication will be provided to families regarding alternative plans to the school day due to extreme outdoor environments.

Section 4: Student Safety and Behavior Policies/Procedures

Progressive Student Discipline

Maintaining a safe and orderly campus is a necessary component to student learning. There are occasions when students break school rules and behavior expectations. These types of behaviors will be addressed with the following progressive steps and interventions. Paso Verde School Student Expectations & Rules

Aerosol Sprays/Perfumes

Students are not allowed to possess any aerosol spray/perfume containers on campus or at school sponsored events.

- Hair sprays, computer duster sprays, deodorant sprays are potential inhalants, which can and have been used by students to affect the central nervous system as a stimulant, depressant or hallucinogen. Various inhalants produce different effects. The possession of these products, for this purpose, or the use of these products in that manner is in violation of State Penal Code sec. 381.
- The propellants in aerosol containers cause the mist to project into a room and linger long enough to set off the smoke detectors. Students have been doing this at great expense to the educational process and local fire protection agencies. in mutual combat multiple times in one school year may be recommended for expulsion as a continuing danger where other forms of intervention have not been successful.

Instigating Mutual Combat (Fighting)

Students who instigate fights but are not actively involved (that is, students who carry rumors, put others up to fighting, carry information back and forth between other individuals who subsequently fight, watch or run to a fight, record and/or encourage a fight) submit themselves to the same penalties as those who are involved in the fight.
