

**Addendum B – Non- Public Agencies  
Use of Facilities, Indemnity, and Insurance  
Agreement (Non-Education Code 38134 (a) Private Entities)**

This Use of Facilities Agreement (“Agreement”) is entered into by Natomas Unified School District (“District”) and \_\_\_\_\_ (“User”).

The User has requested, and the District has approved, the User’s use of \_\_\_\_\_, including restroom and parking facilities (“Facilities”), for the purpose(s) of \_\_\_\_\_, a use and relationship authorized under Education Code 38131. Neither the User, nor its employees, agents, guests nor invitees are authorized to use any other real property, or physical improvements to real property, other than the Facilities covered by this Agreement.

This Agreement is effective from \_\_\_\_\_ to \_\_\_\_\_, unless otherwise terminated or extended by a written document executed by both parties.

Use of Facilities shall occur on dates and times mutually agreed to by the District and the User, as evidenced by a jointly executed writing. Such use shall not interfere with the District’s ability to carry on educational activities, interfere with the District’s ability to carry on recreational activities, or interfere with other potential users’ authorized right to use District property, including the Facilities covered by this Agreement.

User’s right to use the Facilities is subject to a use fee, determined to be the operational cost to the District for the User’s use of the Facilities or the “fair rental value” of the Facilities, applicable when entertainment or meetings where admission fees are charged, or contributions are sought, with such amounts not expended for the welfare of students or for charitable purposes.

At all times, the User and its guests and invitees at the Facility, shall comply with the District’s rules, regulations, and policies, copies of which are deemed to have been provided to the User prior to the execution of this Agreement. The User and its guests and invitees shall also (a) conduct themselves in accordance with all other potentially relevant federal, state or local laws or regulations, (b) respect the District’s employees, students, and property, and (c) engage in safe and appropriate behavior in an effort to avoid harm injury, disputes or altercations with others. The User is responsible for ensuring that its Directors, Officers, agents, employees, contractors, guests, invitees, participants, as well as any other individual who will attend or view the contemplated activities at the Facilities, comply with these requirements.

User shall, at all times, provide equipment and instructors trained, experienced, and otherwise suitable for the purposes of the User’s intended use of the Facilities. User shall ensure that the District’s property is not altered, modified or changed in any manner absent the District’s express prior and written consent. Failure to comply with these obligations shall, at the discretion of the District, be a basis to immediately terminate this Agreement.

The District shall ensure that the Facilities are timely and properly made available for use by the User. The User waives any claim against the District for damages relating to its use of the Facilities, including, but not limited to, theft or destruction of the User’s property.

The District is financially responsible for claims or damages caused by its negligent failure to maintain, repair or keep in good repair the District's Facilities. The District shall defend and indemnify the User, and its Directors, Officers, employees, agents, and volunteers should a Claim be made for which the District is financially responsible to an injured individual, or individuals, or injury or damage to physical property, pursuant to this provision.

The User shall be financially responsible for any claims or damages caused, or arising in some manner from, whether in whole or in part, by any aspect of the User's use of the Facilities. The User shall defend and indemnify the District, and its agents and employees should a Claim be made for which the User is financially responsible to an injured individual or individuals, or injury or damage to physical property, pursuant to this provision. It is the express intent of the parties that in keeping with the foregoing responsibilities, the District its Directors, Officers, employees, agents, and volunteers are intended and expected to receive the broadest defense and indemnity protection available under law, with any doubts resolved in favor of the proposed indemnified parties. To the extent of these indemnifiable liabilities, the User shall name the District, its Directors, Officers, employees, agents and volunteers, as additional insureds under its liability insurance or coverage agreements(s), subject to a minimum limit of liability of \$1,000,000 per Claim, and further subject to a 60-day notice before such insurance or coverage is canceled or terminated.

This Agreement may be terminated due to the User's discontinuance of the activities contemplated by this Agreement, the District's need to modify or negate the use of the Facilities in order to carry out its required or offered educational or recreational activities, due to impossibility or impracticability caused by any actual or planned change, modification or repair to the Facilities, or to circumstances affecting the safety or health of anticipated users of the Facilities. Notice of the termination of this Agreement is effective on 60-days written notice, absent exigent circumstances requiring termination on a more expedited basis for health or safety issues.

Each provision of this Agreement shall be interpreted in a manner giving meaning and purpose to each term and provision and, to the fullest extent possible, rendering the Agreement, as a whole, valid and effective. If any provision of this Agreement is deemed invalid, all remaining provisions shall remain effective. All issues regarding the interpretation and effectiveness of this agreement are controlled by California law, with any disputes subject to binding arbitration, with the parties agreeing that such arbitration is to be conducted in the most expeditious and cost effective manner. The prevailing party in such an arbitration, in the arbitrator's discretion, may be awarded reasonable attorney's fees and costs.

This is a fully integrated document, containing the entirety of the parties' agreements. Both parties must agree in writing to any change in the terms of this Agreement; neither oral modification nor course of conduct will be deemed a sufficient basis to alter or change the terms of this Agreement. The provisions of this contract cannot be waived, not shall either party rely upon the actual or alleged failure to require complete compliance with all aspects of this Agreement as an excuse or basis not to carry out its own respective obligations.

This Agreement has been duly reviewed and approved by the authorized agents of the District and User, who warrant and represent that they have the power and authority to bind their respective principals to the terms of this Agreement
