### Protection for You and Your Family

Choosing insurance benefits can be stressful. That's why your employer has partnered with American Fidelity Assurance Company to provide you with a variety of plans that work best for you and your family.

#### How We Can Help

- **Benefits Education**  
Ask questions and learn about which benefits are right for you during your guided enrollment meeting with your account manager.
- **Life Changes**  
A lot can change in just a year. Make sure all of your important information, including beneficiaries and dependents, are up to date.
- **Protection for You and Your Family**  
Forget one-size-fits-all plans. Choose from several benefit options that allow you to create financial protection that best fits your lifestyle.
