*If more than 45 players are participating at the end of the first 2 weeks of practice, a position will be added.

Revised July 1, 2023 (in alignment with Article IV.D.1)
The mentor pay will be flexible between $600-$1,800 dependent on state funding.

Any additional stipends paid by source other than general fund (ie. booster clubs, parent clubs, PTA) must first be authorized by the District.

Any additional positions must be approved by the District.

All current assignments shall be for one year only and renewal at the discretion of the site principal and/or the District on an annual basis.

Beginning in the 2023-2024 school year, all on-going pay increases provided to all NTA members will be added to each Appendix E stipend as well. This shall apply to all stipends in the collective bargaining agreement, such as but not limited to department chairs in Salary Part D Special Assignments, with the exception of the term “stipend” used in Article X: Class Size.

In accordance with Title IX, if athletic teams are separated by gender on any given school site, each athletic team constitutes a coaching assignment. An equal stipend will be provided for each coaching assignment. (This line is not intended to reduce the stipend positions.)

What was formerly listed as "Tennis (B)" and "Tennis (G)" will now read "Tennis." (This line is not intended to reduce stipend positions.)
