NUSD Vision

“NUSD will provide an engaging and safe learning community where all students will demonstrate responsibility, achieve academic and social emotional growth, embrace diversity, and are prepared to make decisions about their college and career success.”

NUSD Core Values

We value learning and achievement for each of our students.
We value our families as partners in the education of their students.
We value diversity, equity, and inclusion.
We value our committed, collaborative, caring and exemplary employees.

Safe Haven We want all NUSD students to know they are safe and welcome, so the Board of Trustees has declared the district a safe haven committed to acting within legal bounds to

protect students and families threatened by hate crimes or deportation based on immigration status.

Passed unanimously on February 8, 2017, the resolution is consistent with existing Board-approved commitments that all students have a right to attend public schools and receive equal access to educational programs, diversity is a strength, parent participation is encouraged, and that a key District goal is to create safe and welcoming learning environments.

Our resolution calls for NUSD to act within legal bounds to prevent and mitigate the collection of information about immigration status, the disclosure of such information, and to support students if immigration enforcement authorities seek to visit a school to interrogate or take a child into custody.

NUSD is one of the most diverse school districts in the United States – 30 percent of our students speak more than one language – and this safe haven resolution is consistent with our Core Values.

Other California school districts also have declared themselves safe havens. Former State Supt. of Public Instruction Tom Torlarkson encouraged such action, noting that a 1982 U.S. Supreme Court decision requires schools to enroll all eligible children regardless of immigration status.

Every NUSD student is a valuable part of our district family, and providing an engaging and safe learning community where all students will demonstrate responsibility, achieve academic and social-emotional growth, embrace diversity, and are prepared to make decisions about their college and career success is NUSD's mission, regardless of immigration status.

Natomas Park Elementary School

4700 Crest Dr., Sacramento, CA 95835 (916) 928-5234 FAX (916) 928-5219

Dear coyote families,

On behalf of our fantastic staff, we would like to welcome all of you to another school year at Natomas Park Elementary School! I am beyond humbled to be embarking on the 2023-2024 school year with the NPE coyote family and fortunate enough to be serving as the new principal. You have all seen many changes and challenges occur the last few years but there has always been one thing that remained through it all: family. I am so grateful to be a part of such a loving, diverse, and compassionate community.

In order to foster an even greater sense of community and build upon the traditions of the Natomas Park Community, I would like to introduce the use of an annual theme. The purpose of a theme is to convey a message within a story. The theme will be our annual mission in that it will highlight our approach to teaching, learning, and school culture and celebration of our success. As we embark on the new school year, our theme is "YOU Matter." Together, we will create a sense of oneness and make every effort to show each individual scholar, staff, and family member how important they are to the overall success of the Natomas Park Community. We are committed to partnering with all members of our school communities to ensure safe, healthy spaces that affirm the identity of each and every scholar, leveraging the assets they bring.

As I learn about Natomas Park Elementary since opening in 2000, it is apparent the school has always taken pride in its inclusivity. Outstanding academics, and exceptional contributions to the world. I am honored to have the opportunity and incredible privilege of being part of Natomas Park Elementary. Not only does our school provide enrichment programs, counseling services, and extended support, but it also utilizes data to inform instruction. The teachers, staff members, and families have always ensured that our scholars are at the center of our work every day and now that we are becoming a certified AVID (Advancement Via Individual Determination) school we are challenging our scholars to take ownership of their own learning.

We are excited to share that we have a new afterschool program, the LEAP Academy. The LEAP Academy is an afterschool program paid for by state funds to provide enrichment and learning opportunities after the regular school day for students in grades TK-6, Monday - Friday until 6 PM. Students participating in the LEAP Academy will engage in art, athletics, cooking, science, technology, and also receive additional academic support. While there are guidelines that we must follow that includes priority enrollment for scholars who meet certain criteria, we will open enrollment to additional students pending space availability. Space is limited, so complete the [registration](#) as soon as possible if your family is interested. After completing the registration, families will be notified of their students's enrollment status.

NUSD is launching the use of Parent Square at all schools district-wide as our primary communication tool to share information with families. This change is a result of feedback from NUSD families who requested that we streamline the way we communicate. All information from our school, as well as the district office, will be provided using ParentSquare. We encourage all families to download the app in the Apple or Google Play store as soon as possible to be able to access all the features and benefits. One feature that we are extremely excited about is access to 125+ languages. Families can choose the language of their preference to receive and send messages with school and district staff. Please visit the NUSD [website](#) that has a page dedicated to all things ParentSquare including how to access it, training,

how-to-guides, frequently asked questions, multiple videos, handouts, printed documents, and more. Please be sure to sign up! **While ParentSquare will be used for communications, student's class assignments/schedules, grades and attendance information will continue to be shared via Infinite Campus so we encourage parents to keep the IC Portal to have access to those two items.**

Important dates and information:

- **To Do: Download the app for [ParentSquare](#) to receive important communication information from our school and district.**
- Our school office will open on August 1 at 1pm. If you need immediate assistance, contact [Constituent and Customer Services](#).
- Enrollment Nights: July 26th, August 2nd, August 7th (5pm-7pm) open on August 1st
- Elementary class assignments will be finalized and available through Infinite Campus and posted in front of the school entrance gate by 4:00 pm Aug 4th. If you do not have an IC account set up yet, you can find instructions on how to do that by going to these [Parent Instructions](#). When it asks for your activation key, enter the number given. If you have already set up an account, but do not remember your login information, you can click "forgot password" to retrieve your password. For more help: Visit natomasunified.org/icportal, contact your school, or email icportal@natomasunified.org.
- The first day of school will be August 10, 2023. The first bell will ring at 7:40 AM and the instruction bell will ring at 7:45 am. Being early is to be on time!! Everyday attendance is important, because if you are not here you can't learn. Our school goal is to have a 95+% attendance rate.
- School dismissal will be at 1:38 pm for Transitional kindergarten and Kindergarten students, and 1:55 pm for 1st through 5th grade students.
- **Immunizations:** Please remember that regular childhood immunizations are required by the State of California unless your child has a medical exemption ([CAIR-Medical Exemption](#)). If your child does not have current immunizations, NUSD offers free immunization. [Click here](#) for more information.
- Back to school night is TBD from 5:00 pm -7:00 pm
- Please see our [digital backpack](#) for more resources, and a copy of the NPE bell schedule

Traffic and Safety - School is open at 7:30 am and in regards to traffic and student safety dropping your child off early reduces the traffic congestion at the 7:40 bell. Remember that if you are dropping your child off at the front of the school you must pull all the way forward to the drop off area. Please do not drop them off at the red zoned area, because this causes congestion where cars are backed up into the street and makes it unsafe for students, staff and families. Also when you do pull up please have your children ready to get out of the car, this will help keep the flow of traffic consistent. Lastly and most importantly, please discuss with your child about the rules of the road and to make sure they look both ways before they cross the street.

I am truly excited to be a part of the NPE family community where parents, teachers, and students care for each other and strive to build a positive relationship that supports academic and social growth. If you have any questions about our school, programs, or expectations, please do not hesitate to contact us at (916) 928-5234

Sincerely,
Maurice Gause
Natomas park principal

Attendance Information

Importance of Positive Attendance

Showing up for school has a huge impact on a student's academic success starting in kindergarten and continuing through high school. Even as children grow older and more independent, families play a key role in

making sure students get to school safely every day and understand why attendance is so important for success in school and on the job.

Students who have habitual attendance issues (unexcused or unverified absences or truants) may experience a negative impact on their grades as well as limited access to traditional school activities such as dances, sports, drama performances, field trips, etc.

Parents are highly encouraged to check their student's attendance status online via Infinite Campus and support their students arriving at school on time each day. For inquiries regarding Infinite Campus, or if an Infinite Campus password is needed, please feel free to contact the main office.

Facts about Attendance

- Students should miss no more than 9 days of school each year to stay engaged, successful and on track to graduation.
- Absences can be a sign that a student is losing interest in school, struggling with school work, dealing with a bully or facing some other potentially serious difficulty.
- By 6th grade, absenteeism is one of three signs that a student may drop out of high school.
- By 9th grade, regular and high attendance is a better predictor of graduation rates than 8th grade test scores.
- Missing 10 percent, or about 18 days, of the school year can drastically affect a student's academic success.
- Students can be chronically absent even if they only miss a day or two every few weeks. Attendance is an important life skill that will help your child graduate from college and keep a job.

Excused Absences

The Education Code lists the following as the only legal excuses for absences from school:

- **Personal Illness:** The school may require certification from a doctor if it is deemed advisable. (After 3 or more consecutive days of absence due to illness, a note from a doctor is required and/or prior to 84 period absences.)
- **Quarantine in the Home:** An absence arising from this condition is limited to the length of quarantine as fixed by county or city health officers.
- **Death of a Relative:** For the purpose of attending the funeral services of a member of the immediate family (mom, dad, grandma, grandpa, brother, sister). One (1) day for in state, and three (3) days for out of state.
- **Religious Reasons:** (3 days allowed per semester)
- **Counseling Appointment:** Any student absence due to a counseling appointment must be cleared with written proof of the appointment from the counselor's office.

The teacher of the class from which a pupil is absent shall determine which tests and assignments shall be reasonably equivalent to, but not necessarily identical to, the

tests and assignments that the pupil missed during the absence. A student shall not have his/her grade reduced or lose academic credit for any excused absence if missed assignments and tests that can reasonably be provided are satisfactorily completed within a reasonable period of time. (CA Ed. Code 48205)

Procedures for Notifying School of Absences

Parents/guardians must clear all absences in advance of the absence or upon return to school by calling the attendance office at (916) 928- 5234 or by writing a note including the following information:

- Student's full legal name (please print name clearly)
- The day(s) and date(s) of absence(s)
- Reason for the absence
- Parents/Guardian name and the relationship to the student
- Home and work phone numbers

Chronic Absence and Truancy - AR 5113.1

Chronic absentee means a student who is absent for any reason on 10 percent or more of the school days in the school year, when the total number of days the student is absent is divided by the total number of days the student is enrolled and school was actually taught in the regular schools of the district, exclusive of Saturdays and Sundays. (Education Code 60901)

Truant means a student who is absent from school without a valid excuse three full days in one school year, or tardy or absent for more than any 30-minute period during the school day without a valid excuse on three occasions in one school year, or any combination thereof. (Education Code 48260)

Parents of chronically truant students are asked to attend a Truancy Prevention Program meeting to address truancy. If truancy continues, students can be referred to the Student Attendance Review Board. Parents of chronically truant students can have serious sanctions including the withholding of public assistance, \$2,500 fines, and/ or one year of incarceration. Parents will receive notice when their child is identified as truant by mail after the student meets the threshold for truancy.

School Attendance Review Board (SARB) - BP 5113.12

The Governing Board recognizes that poor school attendance and behavior problems negatively impact student achievement and put students at greater risk of dropping out of school. The Superintendent or designee shall establish a comprehensive and integrated system for the early identification of attendance problems and shall implement strategies to encourage students' attendance. After other interventions have been exhausted, students with a pattern of unexcused absences may be referred to a school attendance review board (SARB), in accordance with applicable law, in order to receive intensive guidance and assistance.

School Attendance Review Board (SARB) reviews student attendance and disruptive behavior at the district level. Students may be referred to SARB for habitual truancy and/or irregular attendance:

- SARB may involve the district attorney or the county probation department in a student's case.
- SARB may transfer the student to another school or to an alternate education program

Early Dismissal

Attending school is vital to student success. Please ensure that appointments are made outside of school hours whenever possible. Early dismissal during tests or final exams can negatively impact a student's grade. Please be aware of when testing is happening and make every effort to ensure that students are present to take their assessments.

If a student needs to be picked up early, please follow these procedures:

- Only listed parents or guardians are allowed to pick up students, UNLESS a parent/guardian has notified the school of other arrangements. Emergency contacts ARE NOT allowed to pick up students without notification from a listed parent/guardian.
- **Appointments:** To leave the school during class time or between classes, a student should bring a note from the parent/guardian, prior to the beginning of the school day, stating the reason for leaving and the time to be dismissed from school and the school staff must be able to reach the parent/guardian by phone in order to secure permission to leave school.
- **Unscheduled Early Dismissals:**
 - A parent/guardian listed on the student's emergency card, must be present to sign out a student from the front office.
 - Inform the front desk that you are picking up a student for early dismissal
 - Have a valid I.D. ready for verification
 - The front desk will contact the classroom and the teacher will send the student up to the office
 - Complete the "Sign Out" sheet with parent information, student name, and check out time
- **Illness at School:** Check out with the Health Office; the school will call home to obtain permission for the student to leave. The student will remain at school until a parent/guardian is contacted to take responsibility for the student. Students are not to call a parent to alert them of an illness before meeting with the Health Clerk. Please obtain a pass from your teacher to make this call from the Health Office. Students who leave campus without obtaining clearance as described above will receive a "cut" for each period missed.

Please help school staff keep all students safe and accounted for by following the check-out procedure. Students should not be called out of class by an adult via student cell phone. Students should always exit campus through the front office instead of through a gate to meet a parent. Students who exit campus without being properly checked out will receive a "cut" (unexcused absence) for each period missed.

Early Dismissals over the phone: Parent/Guardian must come into the Office and show valid ID to sign a student out of school. To ensure student safety, parents cannot call from the parking lot or from around the corner to dismiss their student and have them meet them outside. Students will not be dismissed to any parent/guardian without valid ID or not listed on our contact information for that student unless approved by Administration.

Early Dismissals during PE: Pulling a student from PE can take about 20 to 30 minutes. If a student needs to be checked out of school during their PE class they should come to the Front Office before going to PE and wait in the office for their parents to come in and check them out.

Late Policy: Late Arrival to School or Class

As a school we want students to know and learn the value of being on time, the decency of it, and the expectation of being ready to engage, and of honoring the professional relationship between teacher and student. It is critical that students practice and learn the habits and life lessons of punctuality and commitment because they are essential as students move onto college, a career, and life as a part of a larger community. As a school dedicated to educating young people, students deserve a clear, consistent practice.

Students who are less than 15 minutes late to class will be marked tardy. Students who are more than 30 minutes late to class will be marked truant. The following is Natomas Park **Late Policy:**

- Students are to be in their class line on the blacktop before 7:42am. The goal is for teachers to be instructing students in their classrooms by 7:45am
- Students are considered tardy after the bell rings at 7:45am
- Anyone arriving after this time will be marked tardy by the teacher on the roll.
- Tardy students can go directly to the main office to receive a pass for class although the gates will be open until 8:00 am

Instructional Time

During the school day students are expected to be in their assigned classrooms on time and remain for the entire instructional class. If a student must leave class if a student must leave class they are required to have an “Out of class pass” except in an emergency. Students sent for health reasons must have the “red health pass”

Independent Studies - Board Policy 6158

The Governing Board authorizes Independent Study as an optional alternative instructional strategy for eligible students, whose needs may be best met through study outside of the regular classroom setting. Independent Study shall offer a means of individualizing the educational plan to serve students who desire a more challenging educational experience, whose health or other personal circumstances make classroom attendance difficult, who are unable to access course(s) due to scheduling problems, and/or who need to make up credits or fill gaps in their learning. As necessary to meet student needs, independent study may be offered on a full-time basis or on a part-time basis in conjunction with part- or full-time classroom study. The minimum period of time for any independent study option shall be three consecutive school days.

For the 2023-24 school year and thereafter, the Superintendent or designee may continue to offer and approve independent study for an individual student upon determining that the student is prepared to meet the district's requirements for independent study and is likely to succeed in independent study as well as or better than the student would in the regular classroom setting.

Because excessive leniency in the duration of independent study assignments may result in a student falling behind peers and increase the risk of dropping out of school, independent study assignments shall be completed no more than two weeks after assigned for all grade levels and types of program. However, when necessary based on the specific circumstances of the student's approved program, the Superintendent or designee may allow for a longer period of time between the date an assignment is made and when it is due, up to the termination date of the agreement. An evaluation shall be conducted to determine whether it is in a student's best interest to remain in independent study whenever the student fails to make satisfactory educational progress and/or misses three assignments. Satisfactory educational progress shall be determined based on all of the following indicators: (Education Code 51747).

1. The student's achievement and engagement in the independent study program, as indicated by the student's performance on applicable student-level measures of student achievement and engagement specified in Education Code 52060
2. The completion of assignments, assessments, or other indicators that evidence that the student is working on assignments
3. Learning required concepts, as determined by the supervising teacher
4. Progress towards successful completion of the course of study or individual course, as determined by the supervising teacher

A Parent or Guardian may request a short term Independent Study if a student is going to be out of school due to an emergency, vacation, or illness, or family obligation. When requested by a parent/guardian, independent study may be used on a short-term basis to ensure that the student is able to maintain academic progress in

his/her regular classes. When possible, parents should give the school 2 weeks' notice prior to student absence, so that work may be gathered and the Independent Study Contract may be completed. In an emergency situation, parents need to notify the school prior to the absence, that they are requesting Independent Study for their student.

Students or Families are asked to meet with school site administration to discuss the options, commitments, and process for enrolling students in Independent studies (short term or permanent).

Health and Wellness

To make sure your child is ready for school, California law, Education Code Section 49452.8, requires that your child have an oral health assessment (dental checkup) by May 31 in either kindergarten or first grade, whichever is his or her first year in public school. Assessments that have happened within the 12 months before your child enters school also meet this requirement. The law specifies that the assessment must be done by a licensed dentist or other registered dental health professional.

Health Services and Office Procedures

School districts are required to provide health services to students in regular education, special education and on a Section 504 plan. In addition, districts are required to conduct mandated screenings and take action when contagious diseases are identified. Natomas goes the extra mile- we provide regular childhood immunizations, conduct health fairs, and provide staff and parent training. Please refer to the NUSD Student Services and Support website for additional information and resources (<https://natomasunified.org/departments/student-services-and-support/>).

Medications

The law requires all parents/guardians to inform the school if their child is taking medication. Any medication to be taken while at school will be kept and dispensed through the nurse's office. A "**Medication Order for School**" form must be on file in the office. Both the parent/guardian AND the physician MUST sign this form. If you have asthma, you may carry your inhaler if your physician provides a "Medication Order for School."

No medication of any kind, whether prescription or over-the-counter, is allowed to be brought by a child without written authorization. Pain relievers and all other over-the-counter medications will not be dispensed to students. The school is only equipped to treat minor injuries with ice and adhesive bandages. Parents/guardians will be called for more serious injuries. If parents cannot be contacted, the emergency contacts listed in Infinite Campus will be contacted.

Students are not allowed to possess any type of medication at school. Education Code 49423 states, "Notwithstanding the provisions of 49422, any pupil who is required to take, during the regular school day, medication prescribed for him/her by a physician may be assisted by a school nurse or other designated school personnel if the school district receives the following:

1. A written statement from physician detailing the method, amount, and time schedule by which medication is to be taken
2. A written statement from the parent/guardian of the pupil indicating the desire that the school district assist the pupil in the manner set forth in the physician's statement"

All medications are kept in a secure area in the health office and dispensed per the physician's instructions.

If a child is to temporarily take a non-prescription medication, such as an over-the-counter pain reliever or cough drops, the medication must be kept in the office in its original container. The parent/guardian must

provide a note to the health and/or front office stating the time and dates the medication is to be given. The medications are kept in a secure area in the health office and dispensed per the parent's instructions.

Home and Hospital - BP 6183

Students temporarily disabled by accident or by physical, mental or emotional illness may receive individual instruction at home or in a hospital or residential health facility within the district. When seeking instruction for a student at home or in a hospital located within the district, the parent/guardian shall present this request at the home school, together with a physician's written description of the disabling condition. The physician shall have determined that the student is unable to attend school and will not expose the home teacher to any contagious disease that can be transmitted by casual contact.

Immunizations - BP 5141.3

To protect the health of all students and staff and to curtail the spread of infectious diseases, the Board of Trustees shall cooperate with state and local public health agencies to encourage and facilitate immunization of all district students against preventable diseases. Each student enrolling for the first time in a district elementary or secondary school, preschool, or child care and development program or, after July 1, 2016, enrolling in or advancing to grade 7 shall present an immunization record from any authorized private or public health care provider certifying that he/she has received all required immunizations in accordance with law. Students shall be excluded from school or exempted from immunization requirements only as allowed by law. Please see NUSD's website for a list of immunizations required by the state.

Family Involvement on Campus

Visitor/Volunteers - BP/AR 1250

The Governing Board believes that it is important for parents/guardians and community members to take an active interest in the issues affecting district schools and students. Therefore, the Board encourages interested parents/guardians and community members to visit the schools and participate in the educational program.

To ensure the safety of students and staff and minimize interruption of the instructional program, the Superintendent or designee shall establish procedures which facilitate visits during regular school days. Visits during school hours should be arranged with the principal or designee 24 hours in advance. When a visit involves a conference with a teacher or the principal, an appointment should be scheduled during non-instructional time.

Any person who is not a student or staff member shall register immediately upon entering any school building or grounds when school is in session.

The principal or designee may provide a visible means of identification for all individuals who are not students or staff members while on school premises.

No electronic listening or recording device may be used by any person in a classroom without the teacher's and principal's permission. (Education Code 51512)

Volunteers are welcomed in our District and are valuable members of our learning community. A volunteer is defined as a non-paid individual who, with school District Authorization, assists students, schools, or educational programs. This individual may not always be under the direct supervision of District staff. The service can be on short-term, project specific or on-going basis. A volunteer is required to complete a Volunteer Application, Code of Conduct, take a tuberculosis (TB) test, and have a fingerprint/background check completed prior to rendering service. For complete information regarding becoming a Natomas Unified School District volunteer and to complete an application, please visit the district website Parents Resource <https://natomasunified.org/family/>

The Board encourages all individuals to assist in maintaining a safe and secure school environment by behaving in an orderly manner while on school grounds and by utilizing the district's complaint processes if they have concerns with any district program or employee. In accordance with Penal Code 626.7, the principal or designee may request that any individual who is causing a disruption, including exhibiting volatile, hostile, aggressive, or offensive behavior, immediately leave school grounds.

Civility Policy - BP 1313

Natomas Unified School District is committed to ensuring a safe, orderly, and respectful environment at all District facilities and during all District events and meetings. This policy is intended to promote a positive environment where behavior and communication is based on mutual respect, civility, and orderly conduct among District employees, parents, and the public. This policy is not intended to deprive any person of their constitutionally protected freedoms. It is intended to ensure an orderly, civil, and harassment free place for students, employees, parents, and the public to participate in the District's programs and activities. The District encourages students, employees, parents, and the public to communicate in a positive, calm, respectful and productive manner and to avoid hostile, aggressive, and confrontational behavior. If a student, employee, parent, or member of the public believes that another person is violating this policy, they should report this concern to the school site principal or designee and if that does not resolve the issue then to the superintendent or the superintendent's designee.

Classroom Visitation

A parent or guardian has the right to observe instruction and other school activities that involve his or her child in accordance with procedures determined by the governing board of the school district to ensure the safety of pupils and school personnel and to prevent undue interference with instruction or harassment of school personnel. Reasonable accommodation of parents and guardians shall be considered by the governing board of the school district. Upon written request by the parent or guardian, school officials shall arrange for the parental observation of the requested class or classes or activities by that parent or guardian in a

reasonable timeframe and in accordance with procedures determined by the governing board of the school district. [E.C. 49091.10(b)] In lieu of a written request by the parent or guardian, the principal, upon his or her discretion, may grant a classroom visit with a verbal request.

Use of E-Visitor

Parents/Guardians who are interested in visiting the classrooms must first report to the front office to obtain an E-visitors badge. At this time, you will be asked to present an ID and to sign in on the visitors sign in sheet. Our staff member will then take a picture of you and print a badge. Once you are done with the visit, parents/guardians are to come back to the office and sign out. The purpose of this badge is to make visitors to school sites and District offices easily identifiable, which will increase safety for all.

Academic Integrity - BP 5131.9

The Governing Board believes that personal integrity is basic to all solid achievement. Students will reach their full potential only by being honest with themselves and with others. NUSD expects students to respect the educational purpose underlying all school activities. All students need to prove to themselves that they can do successful work as a result of their own efforts. NUSD expects that students will not cheat, lie, or plagiarize. Each school shall provide an environment that encourages honesty. Students must know that their teachers will not ignore or condone cheating and that anyone discovered cheating will be penalized.

Academic Work

Absences and Late Work

According to Board Policy 5121(a), whenever a student misses an assignment due to either an excused or unexcused absence, he/she shall be given full credit for subsequent satisfactory completion of the assignment or assessment.

Academic Support

Gifted and Talented Education (G.A.T.E)

Natomas Unified school district provides a gifted and talented (GATE) program for those students who qualify. Homework assignments shall be reasonable in length and appropriate to the grade level and course. The Board expects that the number, frequency, and degree of difficulty of homework assignments will increase with the grade level and the maturity of students. Teachers shall assign homework only as necessary to fulfill academic goals and reinforce current instruction.

At the beginning of the school year, teachers shall communicate homework expectations to students and their parents/guardians. These communications shall include the manner in which homework relates to achievement of academic standards and course content, the impact of homework assignments on students' grades, any school resources and programs that are available to provide homework support, and ways in which parents/guardians may appropriately assist their children.

- (1) In the case of an emergency, or in response to a perceived threat of danger.
- (2) When a teacher or administrator of the school district, county office of education, or charter school grants permission to a pupil to possess or use a smartphone, subject to any reasonable limitation imposed by that teacher or administrator.
- (3) When a licensed physician and surgeon determines that the possession or use of a smartphone is necessary for the health or well-being of the pupil.
- (4) When the possession or use of a smartphone is required in a pupil's individualized education program

Class Assignments and Changes

Classes are scheduled for students with their success in mind, taking into account graduation and A-G requirements, as well as student interest and need. Schedules may only be changed when there are miss assignments or other extenuating circumstances, and requests must be made through the counseling office in the first five (5) instructional days of each semester. Several factors will be considered when reviewing a possible course change, and may require a parent meeting to discuss impact. Course changes require approval by an administrator.

School Safety Preparedness

The safety of our students is of critical importance at Natomas Park. All faculty and staff are trained with the district's "Emergency Management Plan,". Per Education Code 32280 -32289.5, Natomas Park Comprehensive School Safety Plan is reviewed and updated March 1 annually. In addition, in alignment with required safety drills the following are practiced throughout the school year, following.

- **Lockdown:** A response to a situation that presents an immediate and ongoing danger to the safety of students, faculty, staff, and visitors by a person using firearms or other types of weapons or engaging in behaviors deemed to pose a threat to the safety of the school.
- **Earthquake/ Drop-Cover-Hold Drill:** A standard response to earthquakes. Drop where you are onto your hands and knees. Cover your head and neck with one arm and hand. Hold on to the shelter, and to head and neck until shaking stops.
- **Evacuation:** The immediate and urgent movement of students, faculty, staff, and visitors away from a threat or actual occurrence of a hazard due to fire, explosion, violent incidents, or other threats to immediate or local surroundings.
- **Shelter-in-place:** An action for all students, staff, and visitors to take shelter in a safe location indoors until there is an “all clear” release or direction to evacuate due to chemical, radiological, or environmental threat, active aggressor/shooter, severe weather, or other threat.
- **Other School-Wide Emergencies:** Comprehensive school plans allows for multiple response options depending on the nature of the emergency; based on situational awareness, staff may determine the best option or response such as lockdown, evacuate/escape, drop-cover-hold, or other.

In addition, as part of the Comprehensive School Safety Plan the district has a [Reunification Process for Families](#). Circumstances may occur at the school that require parents to pick up their students in a formalized, controlled release. This process is called a Reunification and may be necessary due to weather, a power outage, hazmat or if a crisis occurs at the school. The Standard Reunification Method is a protocol that makes this process more predictable and less chaotic for all involved. Because a reunification is not a typical end of school day event, a reunification may occur at a different location than the school a student attends. If this location is another school, then those students may be subject to a controlled release as well.

- **Notification:** Parents may be notified in a number of ways. The school or district may use its broadcast phone or text message system. In some cases, students may be asked to send a text message to their parents. A reunification text message from a student may look something like this: *“The school has closed, please pick me up at 3:25 at the main entrance. Bring your ID. “*
- **Parent/Guardian Expectations** - If a parent or guardian is notified that a reunification is needed, there are some expectations that parents or guardians should be aware of. First, bring identification. That will streamline things during reunification. Second, be patient. Reunification is a process that protects both the safety of the student and provides for an accountable change of custody from the school to a recognized custodial parent or guardian.
- **How It Works** - For students, the school asks that students be orderly and quiet while waiting. Students may be asked to text a message to their parents or guardians. Students are also asked not to send other text messages either in or out of the school or reunification area. Keeping the cellular network usage at a minimum may be important during a reunification

[NUSD Outdoor Environmental Guidelines](#) provides direction to staff regarding the ozone pollution forecast and wildfire smoke advisories in the Sacramento region during the warmer months and fire season to ensure students and staff are being safe when partaking in outdoor activities, which may include changes to the school bell schedule and location of activities. Communication will be provided to families regarding alternative plans to the school day due to extreme outdoor environments.

Student Athletic/Activity Eligibility

Each year the Natomas Unified School District **requires** that each student have a Student-Athlete Clearance Packet completed **prior** to being eligible to try out or participate in a school-sponsored sports program. Part of the clearance packet is a physical form that needs to be signed by your child’s physician. The Student-Athlete Clearance Packet is only completed once per year and is due by the deadline of the first sport your child plays. Below you will find the required documents for the 2023-2024 school year.

All athletes playing a sport at Inderkum High School, Leroy Greene Academy, and Natomas High School must create an account at www.athleticclearance.com. Each parent/guardian must fill out all information, sign, and complete all required reading/forms. A physical form will need to be uploaded. Athletes will be cleared following completion by the Athletic Director.

Student Site Council

The school site council is a group of teachers, parents, classroom employees, and students that works with the principal to develop, review and evaluate school improvement programs and school budgets. The members of the site council are generally elected by their peers. The SSC meets regularly once a month on the third Thursday of every month. Textbooks - BP 6161.2

The Board of Trustees recognizes that instructional materials are an expensive resource and that each student is entitled to sufficient instructional materials in accordance with law. The Superintendent or designee may establish procedures in accordance with law to protect instructional material from damage or loss. Instructional materials provided for use by students remain the property of the district. Students are responsible for returning borrowed materials in good condition, with no more wear and tear than usually results from normal use.

When materials are lost or so damaged that they are no longer usable, the student shall be immediately issued a replacement material. However, students or parents/guardians shall be responsible for reparation equal to the current replacement cost of the materials. When materials are damaged but still usable, the Superintendent or designee shall determine an appropriate charge.

If it can be demonstrated to the Superintendent or designee's satisfaction that the student has taken all reasonable precautions to safeguard instructional materials issued to him/her, the Superintendent or designee may excuse the student or parent/guardian from payment of reparation.

If reparation is not excused and not paid by the student or parent/guardian, the district may withhold the student's grades, diploma and transcripts in accordance with law, Board policy, and administrative regulation.

Natomas Park Student Expectations & Rules

Aerosol Sprays/Perfumes

Students are not allowed to possess any aerosol spray/perfume containers on campus or at school sponsored events.

- Hair sprays, computer duster sprays, deodorant sprays are potential inhalants, which can and have been used by students to affect the central nervous system as a stimulant, depressant or hallucinogen. Various inhalants produce different effects. The possession of these products, for this purpose, or the use of these products in that manner is in violation of State Penal Code sec. 381.

- The propellants in aerosol containers cause the mist to project into a room and linger long enough to set off the smoke detectors. Students have been doing this at great expense to the educational process and local fire protection agencies. Deodorants, hair fixative, etc. can be obtained in other forms: pump, roll on, etc. which are not aerosols and do not propel the contents in a fashion as described above.

Baked Goods

Baked goods, such as cakes, cupcakes, brownies, etc. are NOT allowed on campus and will be confiscated. Baked goods, for the use of celebrations, must be approved by administration and provided directly to the class by the teacher.

Bullying - BP 5131.2

To the extent possible, district and school strategies shall focus on prevention of bullying by establishing clear rules for student conduct and strategies to establish a positive, collaborative school climate. Students shall be informed, through student handbooks and other appropriate means, of district and school rules related to bullying, mechanisms available for reporting incidents or threats, and the consequences for perpetrators of bullying.

Students are encouraged to notify school staff when they are being bullied or suspect that another student is being victimized. In addition, students can report threats or incidents confidentially and anonymously by go to NUSD Report Bullying Webpage at <https://natomasunified.org/bully-prevention/>

Controlled/Illegal/Imitation Substances (Possession/Use/Intent to Sell)

Possession of Controlled/Illegal/Imitation Substance with Intent To Sell

Students who arrange the sale/distribution of alcohol or drugs will receive a five (5) day out of school suspension and shall be recommended for expulsion (Education Code 48915).

Possession/Use of Controlled/Illegal/Imitation Substance

Students in possession and/or under the influence of drugs or alcohol will be subject to the following actions:

- The drug(s)/alcohol will be confiscated.
- Students will be removed from class or school activity.
- Parents/guardians will be asked to come to the school.
- Law enforcement officials will be contacted and facts reported.
- Home suspension and possible recommendation for expulsion.

Possession/Use of Tobacco Products

The term “tobacco products” includes, but is not limited to, cigarettes, cigars, pipes, chewing tobacco, electronic cigarettes, smokeless tobacco, “Swishers” and snuff. Possession and/or use of tobacco products by students are prohibited by State Law (Education Code 48900) and a violation of Natomas Unified School District policy. Students in possession and/or use of tobacco products can be subject to disciplinary actions, including, but not limited to suspension.

Harassment

The Board of Trustees is committed to maintaining an educational environment that is free from harassment.

Sexual Harassment- BP 5145.7

The Governing Board is committed to maintaining a safe school environment that is free from harassment and discrimination. The Board prohibits, at school or at school-sponsored or school-related activities, sexual harassment targeted at any student by anyone. The Board also prohibits retaliatory behavior or action against

any person who reports, files a complaint, testifies about, or otherwise participates in district complaint processes. The district strongly encourages any student who feels that he/she is being or has been sexually harassed on school grounds or at a school-sponsored or school-related activity by another student or an adult who has experienced off-campus sexual harassment that has a continuing effect on campus to immediately contact his/her teacher, the principal, or any other available school employee.

Types of conduct which are prohibited in the district and may constitute sexual harassment include, but are not limited to:

1. Unwelcome leering, sexual flirtations or propositions
2. Sexual slurs, epithets, threats, verbal abuse, derogatory comments or sexually degrading descriptions.
3. Graphic verbal comments about an individual's body, or overly personal conversation.
4. Sexual jokes, notes, stories, drawings, pictures or gestures.
5. Spreading sexual rumors.
6. Teasing or sexual remarks about students enrolled in a predominantly single-gender class.
7. Massaging, grabbing, fondling, stroking or brushing the body.
8. Touching an individual's body or clothes in a sexual way.
9. Purposefully cornering or blocking normal movements.
10. Displaying sexually suggestive objects.

Nondiscrimination- BP 5145.3

The Governing Board desires to provide a safe school environment that allows all students equal access and opportunities in the district's academic, extracurricular and other educational support programs, services, and activities. The Board prohibits, at any district school or school activity, unlawful discrimination, harassment, intimidation, and bullying targeted at any student by anyone based on the student's actual race, color, ancestry, national origin, nationality, ethnicity, ethnic group identification, age, religion, marital or parental status, physical or mental disability, sex, sexual orientation, gender, gender identity, or gender expression; the perception of one or more of such characteristics; or association with a person or group with one or more of these actual or perceived characteristics.

Language Policy

Appropriate language for a professional educational environment should be used at all times while on campus. Use of vulgar or profane language is a violation of Educational Code 48900(i) and is a suspend able offense.

Mutual Combat (Fighting)

Mutual combat—students striking, pushing, or shoving each other—will not be tolerated. Under the Education Code and Penal Code, once a student decides to strike another student even if the other student started it or struck first it is considered Mutual Combat and not Self-Defense.

Self-Defense

A student who engages in self-defense is one who has tried EVERYTHING in his/her power to remove himself/herself from a situation that may result in physical blows. This includes refusing to engage in verbal threats or confrontations, walking away from the situation, seeking assistance from school personnel, and not striking back due to being hit by another person (grabbing, holding, or restraining one to prevent them from striking is self-defense). Students who are intimidated or harassed by another student should report the problem to a teacher or administrator. Teachers must report these incidents to an administrator immediately.

Consequences for Mutual Combat (Fighting)

Students who engage in mutual combat (fighting) may be immediately suspended from school in accordance with California Education Code and Board Policy. Students who engage in mutual combat may be required to participate in restorative activities, such as mediation, detention, No Contact Contracts, and/or Project Save. Mutual combat may be reported to the Sacramento Police Department because these acts constitute a violation of California Penal Code. Students who engage in mutual combat multiple times in one school year may be recommended for expulsion as a continuing danger where other forms of intervention have not been successful.

Instigating Mutual Combat (Fighting)

Students who instigate fights but are not actively involved (that is, students who carry rumors, put others up to fighting, carry information back and forth between other individuals who subsequently fight, watch or run to a fight, record and/or encourage a fight) submit themselves to the same penalties as those who are involved in the fight. Students who encourage Mutual Combat (fighting) by gathering around, recording, joining in the fight, yelling encouragement, and/or hindering and disregarding school officials, can be subject to disciplinary actions, including, but not limited to suspension.

Prohibited Items

Items that are not allowed on the campus or school sanctioned events include, but are not limited to:

- Aerosol Sprays
- Dangerous Objects such as knives, explosives, firearms, imitation firearms, pellet guns, airsoft guns, brass knuckles, or any other item considered a weapon.
- Gambling Devices
- Lighters

- Tobacco and Tobacco Products
- Vaping Devices & Products
- Controlled/Illegal/Imitation substances
- Alcohol
- Items related to violence, gangs, or deemed discriminatory or offensive

- Items of no reasonable use to the student at school, Firecrackers, Stink bombs, Screwdrivers, Water guns, Water balloons

Public Displays of Affection (PDA)

Natomas Park is focused upon creating a positive learning environment. Behavior expectations should mirror business-professional standards, and inappropriate displays of public affection are to be avoided.

School Property

Students are expected to take care of school property, including books, paper, supplies and other necessary materials used to enhance learning. Students must pay for damaged or lost items.

Parents/guardians have a responsibility to the community for damages caused by their children to school property during or after school. The California Education Code 48909 states that any student who willfully cuts, defaces or otherwise injures in any way property belonging to the school district is liable may be subject to disciplinary actions, including, but not limited to suspension or expulsion. Parents or guardians shall be liable for all damages so caused by the student. The parent or guardian of a student shall be liable to a school district for all property belonging to the school district loaned to the student and not returned on demand.

School Responsibility for Students to and from School

According to the California Education Code 44808, no school district, city or county board of education, county superintendent of schools, or any officer or employee of such district or board shall be responsible or in any way liable for the conduct or safety of any student of the public schools at any time when such student is not on school property, unless such district, board or person has undertaken to provide transportation for such student to and from the school premises or in a school-sponsored activity.

Selling/Buying Personal Property

Students may not arrange the buying and selling of any personal property, including food, on a school campus. Students found doing this will be subject to appropriate consequences and the items and money involved being confiscated by administration and returned to parents once determined the items involved are not illegal or stolen.

Student Search and Seizure - BP 5145.12

The Board of Trustees is fully committed to promoting a safe learning environment and, to the extent possible, eliminating the possession and use of weapons, illegal drugs, and other controlled substances by students on school premises and at school activities. As necessary to protect the health and welfare of students and staff, school officials may search students, their property, and/or district property under their control and may seize illegal, unsafe, or otherwise prohibited items.

Reasonable suspicion shall be based on specific and objective facts that the search will produce evidence related to the alleged violation. The types of student property that may be searched by school officials include, but are not limited to, lockers, desks, purses, backpacks, student vehicles parked on district property, cellular phones, or other electronic communication devices. Please note reasonable suspicion is not the same as Law Enforcements probable cause.

Use of Contraband Detection Dogs

In an effort to keep the schools free of dangerous contraband, the district may use specially trained nonaggressive dogs to sniff out and alert staff to the presence of substances prohibited by law or Board policy

Consequences of Inappropriate Behavior

Suspension - BP 5144.1

Student discipline, suspension, or recommendation for expulsion from school shall be determined by the site principal, the superintendent, or a designee if the student has violated the Education Code.

A student may be **disciplined, suspended, or expelled for acts** that occur as cited by **Education Code 48900(s)**:

- While on school grounds
- While going to or coming from school
- During the lunch period, whether on or off the school campus
- During, going to, or coming from a school-sponsored activity

Class Suspension

A teacher may suspend a student from class, for any of the acts violations of Education Code section 48900. The class suspension can be issued for the day of the suspension and the day following. The teacher shall immediately report the suspension to the principal of the school and send the student to the principal or the designee of the principal for appropriate action. If that action requires the continued presence of the pupil at the school site, the pupil shall be under appropriate supervision. As soon as possible, the teacher shall contact the parent or guardian of the student to conference regarding the suspension. The student shall not be returned to the class from which he or she was suspended, during the period of the suspension, without the concurrence of the teacher of the class and the principal (Ed Code 48910).

In-School Suspension

To ensure the proper supervision and ongoing learning of students who are suspended for any of the reasons enumerated in Education Code 48900, but who pose no imminent danger or threat to anyone at school and for whom expulsion proceedings have not been initiated, the school site administration may establish a supervised suspension classroom program which meets the requirements of law (Ed Code 48900.5).

Home Suspension

Suspension may be imposed upon a first offense if the Superintendent, principal or designee determines the student violated California Education Code section 48900 or if the student's presence causes a danger to persons or property or threatens to disrupt the instructional process

State law allows for the suspension of a student if a student violates California Education Codes pertaining to student conduct, where such conduct or acts relate to school activities or attendance, such as, but not limited to when such acts or conduct take place while on school grounds, going to or from school, during lunch period (on or off campus), or during, or while going to or from, a school sponsored activity.

When a home suspension is warranted, the student is not allowed to be on or about any campus of the Natomas Unified School district. This includes attending any school sponsored events. The suspension may be from one to five days in length.

Required Due Process to Suspend

- Informal conference between student and administrator or designee
 - Ask to hear student's version of facts
 - Ask for a written statement from the student
 - Not required to include parents
- Explain the proposed suspension recommendation and evidence against them, including "other means of correction"
- School must make reasonable efforts to notify family
- Provide family with a copy of the suspension notification

After Suspension Re-Entry Meeting

The student will be required (and family if appropriate) to attend a meeting with an administrator in order to discuss the student's successful reentry to school, possible interventions and support, and discuss consequences for further behavior issues.

Expulsion - BP 5144.1

If a student has violated the Education Code related to behavior, the school may recommend to expel that student from the school as well as the Natomas Unified School District for a period up to one calendar year. This recommendation is made to the NUSD Governing Board. Violations of California Education Code section 48915 mandates administration to recommend expulsion for serious behavior infractions. **Expulsion is the removal of a student from all schools in the Natomas Unified School District for violations of the California Education Code as ordered by the Board of Trustees.** An expulsion is for a defined period, but an application for reentry must be considered within a specified period. State law provides for full due process and rights to appeal any order of expulsion.

Violations of E.C. 48915(c)

Natomas Unified School District has long maintained a strong position against offenses committed by students that involve the possession of weapons, acts of violence, or the sale or distribution of controlled substances. Violations Education Code 48915(c) mandates that the Board of Trustees shall expel students for:

- Possessing, selling, or furnishing a firearm
- Brandishing a knife at another person

- Committing or attempting to commit a sexual assault/sexual battery
- Possession of an explosive

Violations of E.C. 48915(a)(1)

- Causing serious physical injury to another person except in self-defense
- Possession of any knife or other dangerous object of no reasonable use to the student
- Unlawful Possession of any controlled substance
- Robbery or extortion
- Assault or battery upon any school employee

Section 5: Student and Family Acknowledgement Form

Natomas Park Student and Family Handbook Received Acknowledgement Form:

This document is available on our school website at <https://natomasunified.org/npe> and we will always have additional copies in the front office as well. To save printing costs, we will not be printing the document for every student, but we ask that you **sign and return this**

“Natomas Park Student and Family Handbook Received Acknowledgement Form” after your family has had a chance to review and discuss the information. Students will be held accountable for the expectations outlined in this handbook, therefore teachers will also review the handbook during the first 3 days of school and again in January 2023. However, to ensure clear communication, it is important that the family also review the handbook with your student.

My student and I have reviewed the 2023-2024 Natomas Park Student and Family Handbook, and we understand and agree to follow the Policies and Procedures established by the school.
