

## **Citizens' Bond Oversight Committee**

### **Measure L**

### **2022-23 Annual Report**

### **January 2024**

#### **I. Introduction**

This is the 2022-2023 Annual Report of the Citizens' Bond Oversight Committee (CBOC) for Measure L of the Natomas Unified School District. This report is prepared, in conformance with California law, to summarize the work of the Bond Oversight Committee and review the past year of activity in the District's Bond Construction Program.

#### **II. History and Overview of the Citizens' Bond Oversight Committee(s)**

On November 6, 2018, the Natomas Unified School District ("District") submitted for voter approval Measure L, a bond measure to authorize the sale of \$172 million in bonds to improve school facilities (expanding academic choice and program options, improving safety, enhancing learning opportunities to support college and career readiness, and build new campuses to meet enrollment growth). This measure was submitted to voters under the terms and conditions of Proposition 39 (Article XIII of the California State Constitution), which requires a 55 percent affirmative vote for passage. Measure L passed with 68 percent. Board Resolution No. 19-01 was approved by the Board of Trustees on January 16, 2019 formally accepting the Canvass and Statement of Results and Certificate of Election for Measure L.

Because Measure L passed pursuant to Proposition 39, the District was required to establish a citizens' bond oversight committee and to conduct two independent audits. The first audit is a financial audit that is included in the District's annual financial audit. The second audit is an independent performance audit, which evaluates the effectiveness, economy and efficiencies of the bond facilities program.

#### **III. Committee Membership**

California Education Code, Sections 15278-15282 established the duties of a school district and its duly formed citizens' bond oversight committee with respect to Proposition 39 bond measures. This code requires that the governing board establish and appoint members to an independent citizens' bond oversight committee within 60 days of the date that election results are certified.

The Committee must consist of at least seven members to serve for a term of two years without compensation and for no more than three consecutive terms (*amended Education Code Section 15282*). The Committee must include:

- a. One member who is active in a business organization representing the business community located within the school district.
- b. One member who is active in a senior citizens’ organization.
- c. One member who is a parent or guardian of a child enrolled in the school district.
- d. One member is both a parent or guardian of a child enrolled in the school district and active in a parent- teacher organization
- e. One member who is active in a bona fide taxpayers’ organization.

A seven-member Citizens’ Bond Oversight Committee (CBOC) was appointed by the Board on March 13, 2019, to provide oversight of all bonds passed under Proposition 39, as required by law.

As of June 30, 2023, twelve members service on the committee as shown in the table below:
