2. Teacher vacancy or misassignment: (Education Code 35186; 5 CCR 4681)

- A semester begins and a teacher vacancy exists. A teacher vacancy is a position to which a single designated certificated employee has not been assigned at the beginning of the school year for an entire year or, if the position is for a one-semester course, a position to which a single designated certificated employee has not been assigned at the beginning of a semester for an entire semester.
- A teacher who lacks credentials or training to teach English learners is assigned to teach a class with more than 20 percent English learners in the class.
- A teacher is assigned to teach a class for which the teacher lacks subject matter competency.

3. Facility conditions: (Education Code 17592.72, 35186, 35292.5; 5 CCR 4683)

- A condition exists that poses an emergency or urgent threat to the health or safety of students or staff including gas leaks; nonfunctioning heating, ventilation, fire sprinklers, or air-conditioning systems; electrical power failure; major sewer line stoppage; major pest or vermin infestation; broken windows or exterior doors or gates that will not lock and that pose a security risk; abatement of hazardous materials previously undiscovered that pose an immediate threat to students or staff; structural damage creating a hazardous or uninhabitable condition; and any other condition deemed appropriate by the district.
- A school restroom has not been cleaned or maintained regularly, is not fully operational, or has not been stocked at all times with toilet paper, soap, or paper towels or functional hand dryers.
- For a school that serves students in any of grades 6-12 with 40 percent or more of its students from low-income families, as defined, the school has not stocked at least half of its restrooms with feminine products at all times and made those products available to students at no cost.
- The school has not kept all restrooms open during school hours when students are not in classes and has not kept a sufficient number of restrooms open during school hours when students are in classes. This does not apply when temporary closing of the restroom is necessary for student safety or to make repairs.

Please describe the issue of your complaint in detail. You may attach additional pages and include as much text as necessary to fully describe the situation. For complaints regarding facilities conditions, please describe the emergency or urgent facilities condition and how that condition poses a threat to the health or safety of students or staff.
